

Title of Clerkship: Cardiothoracic Surgery

Elective Type: Fourth year elective

Department: Surgery

Type of Elective: Clinical Non-Clinical/Research Basic Science

Clerkship Site: Sandusky, Ohio

Course Number: SURG 760

Blocks available: By request through the AHEC Center Office

Number of students per block: 1

Faculty: Anthony DeRiso, M.D.

Elective Description/ Requirements: Students will be given an individualized opportunity to participate in the activities of the Division of Cardiothoracic Surgery. Opportunities may be available for clinical experience in the operating room, in management of adult and pediatric cardiac surgical patients, or in clinical research. The focus will be the development of an understanding of the basic and clinical sciences as they pertain to cardiovascular surgical procedures and pulmonary resection.

Length of Clerkship: 2 weeks

Links to Core Competencies
