

<u>Title of Clerkship:</u>	Law and Medicine: Intercollegiate Seminar
<u>Elective Type:</u>	Fourth Year Elective
<u>Department:</u>	Family Medicine
<u>Clerkship Site:</u>	College of Law (COL), UT Main Campus; College of Medicine (COM), UT Health Science Campus
<u>Course Number:</u>	FMMD 726
<u>Blocks available:</u>	20
<u>Number of students per block:</u>	12 or permission of instructor
<u>Faculty:</u>	Daniel P. Hickey, JD, MBA (COM); Professor Susan R. Martyn (COL)
<u>Elective Description/ Requirements:</u>	<p>Law and Medicine: Intercollegiate Seminar is an interdisciplinary case-based elective that will provide medical students the opportunity to join with law students to review, analyze, and discuss legal cases, statutes, and articles applying statutory and common law and their affect on healthcare provider behavior. Medical students will learn how to read and interpret legal cases and will develop an understanding of the academic and practice perspective differences of the medical and legal disciplines. Sample seminar topics: informed consent and death, dying, and decisionmaking. <u>NOTE – February 2013 seminar topics are: 1) introduction to medical malpractice, including a demonstration of physician expert testimony and cross examination; and, 2) in-depth study of informed consent, including legal cases, state statutes, and law journal and medical journal commentary.</u></p> <p>Students will be required to 1) attend and actively participate in class sessions at the COL and clinical/instructional experiences on the Health Science Campus; and, 2) complete oral and written assignments (e.g., case briefs, reflective papers, presentations).</p>
<u>Length of Clerkship:</u>	4 weeks
