

Title of Clerkship: Vascular Surgery
Elective Type: Acting Internship
Department: Surgery
Clerkship Site: St. Joseph's Mercy, Ann Arbor, MI
Course Number: SURG 714
Blocks available: All
Number of students per block: 1
Faculty: St. Joseph's Faculty and Residents

Elective Description/ Requirements: Exposure to the surgery of the vascular disease process with the physiological approach to understanding the pre and post operative patient with vascular disease. Particular emphasis is on fluids, clotting mechanisms, renal, pulmonary, and cardiac status. The student will spend time in the vascular lab to learn techniques and interpretation of vascular studies. Each acting intern must complete two on-line modules to prepare the acting intern for his/her role as a teacher or junior medical student.

Length of Clerkship:
