

Biol 3070 Human Physiology
Summer I, 2013
WO 1240 (M –R 8:00 – 9:40)
Dr. Anthony Quinn
Office: WO 4267 Phone: 530-1593
aquinn@utoledo.edu
Office Hours: (by appointment)

Syllabus

<u>Date</u>		<u>Chapter Assignment</u>
May 13	Intro to Physiology	1
14	Plasma Membrane (Membrane Potential)	3
15	Principles of Cellular Communication/CNS	4/5
16	The Central Nervous System/PNS	5/6
May 20	EXAM I (chp 1,3,4,5)	
21	The Peripheral Nervous:	6&7
22	The Peripheral Nervous:	6&7
23	The Peripheral Nervous:	6&7
May 27	Memorial Day	
28	The Respiratory System	13
29	The Respiratory System	13
30	Muscle Physiology	8
Jun 3	EXAM II (chp 6, 7, 13)	
4	Muscle Physiology	8
5	Cardiac Physiology	9
6	Cardiac Physiology, Blood vessels	9&10
Jun 10	Blood Vessels	10
11	EXAM III (chp 8, 9, 10)	
12	Urinary System	14
13	Urinary System	14
Jun 17	The Digestive System	16
18	The Digestive System	16
19	The Digestive System	16
20	FINAL EXAM (chp 14, 16)	

Text: Human Physiology, Sherwood, 7th Edition

(The Fox version of Human Physiology 12th Edition will also be suitable)

Final grades will be calculated from 3 exams and the final exam (worth 25% each). There will be a 5% penalty on make-up exams. Make-up exams have no extra credit points.

A>90; B>80; C>70; D>60
