

**The Department of Chemistry and Biochemistry at The University of Toledo** invites applications for an open **Lecturer** position to teach undergraduate lecture and laboratory courses primarily in the first and second year chemistry program covering topics in general and organic chemistry. A Ph.D. degree in chemistry, biochemistry or a closely related field is required. The successful candidate will begin their appointment August 2018.

The University of Toledo is a comprehensive state institution with an enrollment of approximately 21,000 students located on an attractive suburban campus. The University offers competitive salaries and generous benefits. Further information is available at <http://www.utoledo.edu/nsm/chemistry/>.

Applicants must submit a cover letter, current curriculum vitae, and a statement of teaching philosophy as a single pdf file to <https://jobs.utoledo.edu>, and arrange to have three recommendation letters sent to [utchem@utoledo.edu](mailto:utchem@utoledo.edu). Review of applications will begin on March 15, 2018 and continue until the position is filled. The Department encourages applications from minorities, women and persons with disabilities. The University of Toledo is an Affirmative Action/Equal Opportunity Employer M/F/D/V.
