COURSE EXPECTATIONS

It is expected that your effort in your research activity will be continuous and ongoing throughout the semester leading to a timely completion as worked out with your faculty supervisor. As this is not a regularly scheduled course it is important to stay in communication regularly with your supervisor to maintain progress.

GRADING

A letter grade of A through F will be given at the end of the semester based on your effort and progress.

COURSE SCHEDULE

There is no set schedule. It is expected that students will work towards completion of their research project at a time, place and pace determined in consultation with the faculty member.

It is recommended that this section be filled in with the scope of work expected and agreed to ahead of time by the student and faculty member. It then will be clear to both parties what is expected.
