

LAKE ERIE CENTER

*Inferring the past to create a better future
using paleolimnology*

Dr. Trisha Spanbauer

Assistant Professor
Department of Environmental Sciences
and Lake Erie Center
The University of Toledo

WHEN

**Thursday, Nov. 21
7 – 8 p.m.**

**Free and open to
the public**

WHERE

**The Lake Erie Center
6200 Bayshore Road
Oregon, Ohio**

HOW

**Take a shuttle from UToledo's Main Campus
to the Lake Erie Center.**

The shuttle will depart at 6:15 p.m. from the south side of the University's Bowman-Oddy Laboratories on Towerview Boulevard. Passengers will be returned to Main Campus following the lecture. Passengers must reserve their spots by Tuesday, Nov. 19, by emailing lakeeriecenter@utoledo.edu or calling 419.530.8360.
