

Special Programs for the Scouting Community in 2018

Boy Scout Merit Badge Program 6:30 PM on:

Thursday, January 18th; Saturday, March 24th; Thursday, May 17th

Based on updated guidelines from the Boy Scouts and utilizing our state-of-the-art projection system and a custom series of worksheets, this two- hour program will give participants all the information and experience needed to earn their merit badge (although they will have to make a few observations in the days after the program). Observing at the Brooks Observatory follows, weather permitting. Reservations, usually on the troop level, are required. The fee is \$12 per person, including adults.

Cub Scout and Brownies Astronomy/Space Science Program 2:00 PM on:

Saturday, January 20th; Saturday, March 24th; Saturday, May 19th

This two-hour program (with an intermission) features a fulldome planetarium program utilizing our state-of-the-art projection system along with an interactive tour of the night time sky and a live program meeting all the guidelines for Cub Scouts and Brownies. Solar observing, weather permitting, is also included. Reservations, usually on the troop level, are required. The fee is \$10 per person, including adults.

Girl Scout Space Exploration Ribbon Program 6:30 PM on:

Saturday, January 20th; Thursday, March 22nd; Saturday, May 19th

Based on updated guidelines from the Girl Scouts and utilizing our state-of-the-art projection system and a custom series of worksheets, this two-hour program will give participants all the information and experience needed to earn their space exploration ribbon. Observing at the Brooks Observatory follows, weather permitting. Reservations, usually on the troop level, are required. The fee is \$12 per person, including adults.

For reservations or more information please call 419.530.2650 or send e-mail to rpbo@astro.utoledo.edu.
