

### Special Programs for the Scouting Community

#### ***Boy Scout Merit Badge Program***

Saturday, January 25<sup>th</sup> and Saturday, March 22<sup>nd</sup> @ 6:30 PM

Based on updated guidelines from the Boy Scouts and utilizing our new state-of-the-art projection system and a custom series of worksheets, this two hour program will give participants all of the information and experience needed to earn their merit badge (although they will have to make a few observation in the days after the program). Observing at the Brooks Observatory follows, weather permitting. Reservations, usually on the troop level, are required. The fee is \$12 per person, including adults.

#### ***Cub Scout and Brownies Astronomy/Space Science Program***

Saturday, January 25<sup>th</sup>, February 15<sup>th</sup>, March 22<sup>nd</sup>, April 26<sup>th</sup> @ 3:00 PM

This two hour program (with an intermission) features a fulldome planetarium programs utilizing our new state-of-the-art projection system along with an interactive tour of the night time sky and a live program meeting all of the guidelines for Cub Scouts and Brownies. Solar observing, weather permitting, is also included. Reservations, usually on the troop level, are required. The fee is \$10 per person, including adults.

#### ***Girl Scout Space Exploration Ribbon Program***

Saturday, February 15<sup>th</sup> and Saturday April 26<sup>th</sup> @ 6:30 PM

Based on updated guidelines from the Girl Scouts and utilizing our new state-of-the-art projection system and a custom series of worksheets, this two hour program will give participants all of the information and experience needed to earn their space exploration ribbon. Observing at the Brooks Observatory follows, weather permitting. Reservations, usually on the troop level, are required. The fee is \$12 per person, including adults.
