The College of Nursing offers a Bachelor of Science in Nursing (BSN) and Registered Nurse to Bachelor of Science in Nursing (RN-BSN) program in consortium with Bowling Green State University.

Actions to take:
- Meet with the BGSU Nursing Advisor to discuss program options. Call 419-372-8242.
- Contact Bowling Green State University at http://go2.bgsu.edu/choose/apply/online/?explore
- Request every college, technical and nursing program attended to mail an official transcript to BGSU Office of Registration and Records.
- Watch for completed evaluation of transfer of courses in your online student record.
- Meet with a nursing advisor to discuss pre-nursing courses. Call 419-372.8242
- Based on progress in completing prerequisite and university courses, the advisor will direct the student to apply for upper division professional admission by completing a BSN Professional Major Supplemental Application: http://www.utoledo.edu/nursing/pdfs/2013%20professional%20major%20supplemental%20application.pdf and electronically submitting an online application through NursingCAS at https://portal.nursingcas.org/.
- Minimum cumulative GPA of 3.0 for BSN and 2.5 for RN to BSN to be considered for admission to the upper division professional major. Admission is competitive.
- A criminal record check is required of all students admitted to the upper division professional major. Students must declare and document misdemeanor and/or felony offenses both prior to admission and during program progression. Convictions may result in denial of admission to the major or dismissal after matriculation.
- The upper division professional major for Basic BSN students consists of four semesters of classes on the UT Health Science Campus. Clinical learning is provided in a variety of hospitals and agencies throughout Toledo and Northwest Ohio. Students are responsible for transportation.
- BSN and RN to BSN application deadlines are posted at http://www.utoledo.edu/nursing/BSN_checklist.html
