www.gesutoledo.com
Gesu School is a community, inspired by faith, committed to the spiritual, intellectual, physical and social growth of each of its students. In addition to creating an atmosphere that promotes academic excellence and spiritual growth, Gesu also offers a variety of enrichment programs. Gesu's chess club, Power of the Pen team, Mathcounts, championship Quiz Bowl team and the recently-begun student newspaper are examples of academic enrichment opportunities at Gesu. Our extensive programs for the arts include giving students in third through eighth grades the opportunity to perform in plays such as Seussical Jr. and 101 Dalmatians. As well, each student has a digital portfolio of their visual artwork. With Smartboards in every classroom, a computer lab and GSPN (a morning news program put on by the students), it's not hard to see why 16 of 20 members of Gesu’s core teaching staff have sent their children to this school.

Harambee Montessori Center
3700 Dorr St.
419-535-0060
Harambee Montessori Center’s goal is to pull together all available resources for a comprehensive approach to foster the love of learning.

We provide a personalized learning experience with an environment where teachers observe the needs of children and continually seek ways to support their development. The primary goal of a Montessori program is to promote mutual respect, social responsibility, natural curiosity and a love of learning by developing concentration, confidence, independence and order.

Respect for oneself, others, the environment and life is necessary to develop a caring attitude toward all people and the planet.

We offer developmentally appropriate curriculum in everyday living skills, language, arts, and geography along with special classes in physical education, foreign languages, story-telling and dance.

A Key to success is a strong relationship between the teachers, children, parents, and caretakers. Pulling together… is a wonderful experience!
