### Practices:
Class starting on the quarter, half hour or other, **use the on-hour** start time. For example, class that begin at 8:15, 8:30 or 8:45 use the exam schedule for 8:00.

If a course does not fall under one of the listed times, the Registrar's Office will assign an exam time **prior** to the start of the semester.

Classes that meet only one day per week will have exam scheduled that same day. Confirm with instructor.
