If you are wondering... Why didn't I receive a 1098-T from UT?

- You did not have any qualified educational expenses within the tax year; therefore, a 1098-T form was not generated for you.
- You are looking for your 1098-T at the wrong address.

As shown above the address where the hard copy 1098-T was mailed can be found in your MyUT portal.

- Your 1098-T was mailed to the wrong address.

If you did not have a current address on file with the University, then your form may have gone astray. You may obtain your 1098-T data through your MyUT portal as describe above.

- ❖ **Remember to update your addresses in MyUT portal.**
