SUBJECT: Larimer Named Gift Requests

The Department of Intercollegiate Athletics has been actively engaged in securing funding for the renovation of the Larimer Athletic Complex. This project is part of the overall UT campaign, "A University Rising." We have talked to many businesses, alumni and supporters in an effort to secure commitments for the project. In several instances, we have received interest from our supporters to name various rooms and areas within the facility. We would like to put the following naming request before the Council for approval:

Roy and Marcia Armes of Findlay, Ohio committed to \$500,000 over five (5) years for the Larimer Athletic Complex on 1/8/13. In recognition of this gift, we request that the Board of Trustees approve the naming of the Rocket Academic Center in the Larimer Athletic Complex in their name.

Please feel free to call us if you have any questions. Thank you, in advance, for your consideration.
