destination UT: journey of a lifetime
UT's Orientation and Registration Program for New Students Entering Fall 2013
Welcome

Congratulations on your acceptance to The University of Toledo! We are very excited that you have chosen to pursue your education at UT. Our goal is to ensure that you have the necessary tools and information to successfully begin your educational journey. The first step towards success begins with orientation!

Rocket Launch is a one-day required orientation program for new students and their families. During the program, you will have the opportunity to meet with academic advisers, register for courses, complete procedural details such as obtaining your Rocket Card (student ID), and learn about the many educational opportunities that UT offers both inside and outside of the classroom.

Make sure you carefully read this booklet, which will guide you through the orientation registration process. You are not finished with the process until you have completed the following steps:

1. Activate your UTAD and UT e-mail accounts.
2. Complete pre-orientation modules and quizzes in the orientation reservation system on the New Student Tab in the myUT Portal prior to registering for a Rocket Launch (orientation) program date.
3. Register for a Rocket Launch program date through the orientation reservation system.
4. Complete all required placement tests prior to attending Rocket Launch (see page 16 for details).
5. Submit a photo online to obtain your UT Student ID (Rocket Card) – see page 3 for details.
6. Complete several Treasurer Office Forms (FERPA Consent, Title IV Consent, Direct Deposit, Transfer Excess Financial Aid to the Rocket Card) located on the New Student Tab in the myUT Portal.

On behalf of the University of Toledo campus community, I welcome you and look forward to meeting you at Rocket Launch. Please feel free to call the Office of New Student Orientation Programs at 419.530.1267 or toll-free at 877.752.0005 or visit our website at utoledo.edu/orientation if you have any questions.

Sincerely,

Julie Fischer-Kinney, Ph.D.
Director, Office of New Student Orientation Programs
FYE Statement

First-year students learn to make the most out of college through a combination of classroom and co-curricular experiences that combine academics, residence life, and social activities. Through their required orientation course, students will gain critical thinking skills, and begin to build connections with the campus community through inquiry, participation, and problem solving. Students are engaged through hybrid classes, numerous social activities, peer mentors, and increased contact with faculty outside the classroom. With faculty and peers, they will get to know the disciplines of the academy and identify campus and community resources for academic and personal development.

Accommodations for Students with Disabilities

If you are a student with a disability who needs academic accommodations, you will need to submit your disability documentation directly to the Office of Academic Access as soon as you receive your acceptance letter. This will allow for a timely review of your documentation which will result in eligibility determination. To receive services, your disability documentation must meet institutional guidelines which can be found online at utoledo.edu/success/academicaccess. A high school Individualized Education Plan (IEP) will not qualify students for academic accommodations at the post-secondary level.

NOTE: If you need accommodations for placement testing, you will need to contact the Office of Academic Access at 419.530.4981 or (VP) 419.530.2612 to make arrangements prior to the date of your placement test(s). Documentation will be required for placement test accommodations.

Accommodations during your academic career

If you are found eligible for accommodations, you will need to schedule an intake assessment. Accommodations will not be provided until an intake assessment has been completed. For more information regarding policies, procedures, and scheduling an intake appointment, please contact the Office of Academic Access at 419.530.4981 or (VP) 419.530.2612.

UT Student ID (Rocket Card) Photo Submission Process

In order to obtain your UT Student ID called the Rocket Card, students are required to submit their photograph online. Students submitting their photograph via the myUT Portal at least 3 days in advance of their scheduled Rocket Launch program date will be able to pick up their Rocket Card at Rocket Launch. If unable to submit a photograph online, a picture will be taken the morning of the orientation program, and the ID will be created and distributed at the end of the program.

For complete details and information about the Rocket Card photo submission process, visit the New Student Tab in the myUT Portal, and click on “Student ID” on the menu.
Step 1: ACTIVATE Your UTAD Account

Your UTAD account must be activated in order to register for a Rocket Launch (orientation) program date. You should have received information on how to activate your UTAD account with your admission acceptance letter. Here are the steps again if you have not activated your UTAD account.

1. Visit myutaccount.utoledo.edu and enter your Rocket ID number. This is your student ID, and it is found on your acceptance letter from UT. If you do not know your Rocket ID number, enter your social security number. You will also need to enter your eight-digit birth date (no spaces between numbers).

2. Click on the button that says “Find Account.”

3. The next screen will say “Terms & Conditions.” Read this information and then click “I agree” at the bottom.

4. After clicking “I agree,” the next screen will ask you to set your password. Make sure you read and follow the guidelines to setting your password.

5. The next screen will ask you to choose a security question. Choose one and type in the answer. Press “set.”

6. At the next screen, press “confirm” and wait until your account is activated.

7. After your account is activated, your myUT username and Rocket ID number will appear to the left in a box titled “Your Account (Brief).”

8. Remember to write down your username, password, and response to your security question, and keep it in a secure place.

9. You must complete these steps to activate your UTAD account in order to register for orientation, check your UT e-mail, and register for classes.

If you have questions or need assistance with setting up your UTAD account, please call the Information Technology help desk at 419.530.2400.

Your UTAD account provides access to the myUT portal, a secure personalized Web environment that provides a single access point for all of the information you need to make your UT experience complete. Specifically, your UTAD account provides:

- Access to course scheduling and registration information
- Access to financial aid and billing information
- Access to your UT e-mail account
- And much more!

Step 2: SELECT An Orientation Program Date To Attend

Fall semester begins on August 19, 2013.

To attend the Rocket Launch Program, you must complete the following tasks:

- Log into the myUT Portal (myut.utoledo.edu) with your UTAD username and password.
- Click on the “New Student” Tab.
- Complete the pre-orientation modules in the orientation reservation system. You will need to wait 48-hours after activating your UTAD account before you can enter the orientation reservation system.
- Once you have completed the pre-orientation modules you will be able to register for a program date according to your admitted college at UT through the orientation reservation system.
- Find out which placement test(s) you need to take and complete the test(s) PRIOR to attending the Rocket Launch program.

We encourage you to REGISTER now!
You should select the earliest date for your admitted college at UT which is most convenient for you. The dates for the Rocket Launch programs are:

**JUNE 2013**

**JULY 2013**

Rocket Launch Program includes

- General Check-In (Student Union)
- Continental Breakfast
- Rocket Style General Welcome
- Need to Know: New Student Services at UT
- Academic Expectations Student Panel
- Connecting with UT
- Lunch
- Scholarship Student-Athletes – Mandatory Athletic Orientation Presentation
- Information Fair
- Right on the Money
- College Meetings (advising and registration)
- Residence Hall Tours/Campus Tours
- Parent and Family session
- Commuter Information Session on Commuter Tuesday

Rocket Launch Program schedule

Rocket Launch Check-In
Please report to the Student Union second level for check-in at 9:00 a.m. on the day of the program. During check-in, you will receive program materials, the schedule of the program activities, and a name tag.

*Students accepted into the Honors College should check-in at 8:30 a.m.

The Rocket Launch program begins at 9:30 a.m. and lasts until 5 p.m. PLAN TO SPEND THE ENTIRE DAY ON CAMPUS. Rocket Launch concludes after each new student has completed the entire process.

Scholarship Student-Athletes
The Athletic Department would like to invite recruited NCAA scholarship student-athletes and their families to attend an athletic orientation lunch presentation during Rocket Launch. Please choose one of the following Rocket Launch dates that coincide with your admitted college’s program dates: June 13, 18, 21, 25, 28, and July 12.

During the athletic orientation, student-athletes will be introduced to department staff members and review important NCAA guidelines. There are many services, regulations and procedures that will impact your college career as a Division I student-athlete.
**COMMuter Student Orientation Program Dates**

In the month of June, three Tuesday dates have been selected to focus on our commuter student population (new students living off-campus who are commuting to UT).

Commuter Tuesday dates by admitted college at UT include:

- **Tuesday, June 11** – students admitted to BUS, ENG, PHM, AND SM
- **Tuesday, June 18** – students admitted to GW, HSHS, LLSS, AND VP
- **Tuesday, June 25** – students admitted to BUS, EDU, GW, AND NUR
  
  *June 18 and 25 are also Athletic Dates*

The programs are tailored to best meet the needs of our commuter student population. Focus will be given to how students living off-campus can connect with the campus community, student services geared specifically toward commuter students, and more!

*Commuter dates are open to ALL students (whether living on or off-campus), but the focus of the program will be geared towards students who are NOT living on-campus.*

---

**TRIO Student Support Services**

TRIO Student Support Services is a federal retention program at UT serving 160 undergraduate students who have limited income, are the first in their families to graduate college, or have a disability. Students served by the TRIO SSS project at UT receive academic advising and monitoring, private tutoring when needed, and have access to a technology lab. TRIO SSS offers cultural experiences, promotes leadership development and provides employment opportunities for students. SSS staff help students master subject matter through peer mentoring, study skills instruction and/or tutoring. Additionally, Pell eligible first and second year students can qualify for a one-time grant aid to help reduce their college costs. TRIO SSS’s comprehensive services include workshops on many topics including: financial aid, money management, graduate school preparation, and professional dining etiquette. For information, visit utoledo.edu/success/trio.
**On-Campus Overnight Accommodations**

Rocket Launch 2013 includes an optional overnight stay in The Horton International House, an air-conditioned residence hall, for a fee of $20 per person (including student) without linens; $25 per person (including student) with linens or $75 per suite (pay by cash, check or credit card upon arrival, only Mastercard, Visa or Discover cards accepted). Accommodations are only available as pre-event accommodations (night before your scheduled orientation program date). The Horton International House is a suite style living facility with an international focus and houses 400 students. Suites are either 4-person, with two double bedrooms, or a 6-person with two double bedrooms and two single bedrooms. Each suite includes a furnished living room and private bathroom.

Our accommodations include:
- X-long twin bed (measures 80”)
- Semi-private bathroom shared with 2-4 suitemates
- Linen – 2 sheets, pillow, blanket plus washcloth and towel
- High-speed internet access

Please bring the following personal items to make your stay more comfortable:
- Toiletries
- Alarm Clock
- Comfortable Shoes

Check-in 3–11 p.m.
Check-out 9 a.m.

**Parking for overnight accommodations:** The Horton International House is located at 1730 West Rocket Drive and parking is available in lot 26 (Parking Area in front of the Main Campus Medical Center). A permit is required for overnight parking in this lot, please visit the Parking Services website at guestparking.utoledo.edu to purchase a Guest Parking Permit.

Summer orientation overnight accommodations are available from June 2 through July 12.

**Please submit your overnight accommodations reservation when registering for orientation** through the online orientation reservation system found on the New Student Tab of the myUT portal at myut.utoledo.edu. Please contact the Office of New Student Orientation Programs at 419.530.1267 or toll-free at 877.752.0005 if you need assistance.

---

**Changes in College or Major**

If you change your college or major, please inform the Office of Undergraduate Admission at 419.530.8888 or 800.5TOLEDO, before signing up for Rocket Launch. When you change your college and/or major, your required placement tests, and Rocket Launch date could also change. Please call the Office of New Student Orientation Programs at 419.530.1267 or 877.752.0005 for assistance in changing programs.

---

**Post-secondary Option Students**

The official transcript from each institution where you completed post-secondary work must be sent to the Office of Undergraduate Admission, ideally prior to your Rocket Launch date. Please bring a copy of your transcript(s) with you to Rocket Launch for advising purposes. Please be sure to discuss your post-secondary work with your academic adviser.
Step 3: REGISTER for your orientation program

INSTRUCTIONS:

STEP 1
Activate your UTAD and UT e-mail accounts.
Go to myutaccount.utoledo.edu and enter your Rocket number (this is your student ID) and your eight-digit birth date (no spaces between the numbers). Your myUT username will appear on the left-hand side of the screen. It is very important that you write down your username, remember your password, and write down the answer to the security question. You can also call the Information Technology help desk at 419.530.2400.

STEP 2
Log into the myUT Portal at myUT.utoledo.edu using your UTAD username and password.

STEP 3
You will be directed to the “New Student” tab in the myUT Portal, where you should click on the word “Orientation,” and then click on the “Register for Orientation” yellow post-it note to access the orientation reservation system. You will need to wait 48-hours after activating your UTAD account before you will be able enter the orientation reservation system.

STEP 4
In the orientation reservation system please complete all steps including the questionnaire, pre-orientation modules, and reservation (including guest and overnight accommodation information). You will not be able to select and register for a program date until you complete all of the pre-orientation modules and successfully pass all of the quizzes. When you are done with the modules and have selected a program date to attend, please be sure to click the “submit” button to finalize your reservation. You are able to bring a maximum of two guests with you to the orientation program. You will be able to exit and re-enter the reservation system (including changing your program date, guest count, etc.) up until 72-hours before the program date you plan to attend.

If you have any questions or encounter any difficulty with the reservation system, contact the Office of New Student Orientation Programs at 419.530.1267 or toll-free at 877.752.0005.

An e-mail confirmation with Rocket Launch program details will be sent to the e-mail account listed in the orientation reservation system upon submitting your orientation reservation. Please be sure to check your e-mail account. UT e-mail can be checked on the “Student” tab in the myUT Portal.

STEP 4: TAKE applicable placement tests

You must accomplish the following BEFORE attending Rocket Launch:

- Identify which placement test(s) you need.
- Take required placement tests BEFORE attending Rocket Launch.

Descriptions of all placement tests can be found on page 17, on the “New Student” tab in the myUT portal, or at utoledo.edu/orientation.

Why are placement tests important?
Placement tests and ACT (or SAT) scores are used by our departments to place you into the correct, math, chemistry, and foreign language courses. Therefore, it is crucial to your academic success at UT that you take the placement tests very seriously. Review the subject(s) in which you need placement tests prior to taking them. Placement tests may only be taken once.

Which placement tests do you need to take?
Visit the myUT Portal at myUT.utoledo.edu and sign in with your UTAD username and password. You will then be directed to the “New Student” tab in the myUT Portal. Click on the Placement Tests link on the New Student Tab.

When should you take the placement tests?
You need to take placement tests BEFORE you attend Rocket Launch. No appointments are needed. Tests are available on a walk-in basis; however, each test lasts approximately 45 minutes.

Where can you take placement tests?
Placement tests can be taken in the Field House, Room 1080

May:
- Mondays, Tuesdays, Fridays, 9am-4pm
- Wednesdays & Thursdays, 9am-7pm
- Saturday, May 18, 10am-2pm

June:
- Mondays, 9am-4pm
- Tuesdays, Wednesdays, Thursdays, and Fridays, 9am-7:45pm
- Saturday, June 1 & 8, 10am-2pm
- Saturday, June 15 & 22, 9am-7:45pm
- Saturday, June 29, 9am-4:45pm

July:
- July 1-5, 9am-4:45pm, closed
- Thursday the 4th of July
- July 8, 9am-4:45pm
- July 9-11, 9am-7:45 pm
- July 12, 9am-4:45pm
- July 15 - August 16, Mondays-Fridays, 9am-4:45pm

No appointment is needed, but please plan your arrival accordingly. Please bring a valid form of picture identification with you (driver’s license, passport, high school ID or state ID), UTAD username, UTAD password, and your Rocket Number to complete placement testing.

The Arabic and Chinese placement tests must be scheduled through the Foreign Language Department; the French, German, Japanese, Latin, and Spanish foreign language tests must be completed in the Test Center.
Mathematics Placement Tests

All baccalaureate degrees at UT require at least one mathematics course. The major you plan to pursue, your math ACT or SAT score, and/or the score/s from the mathematics placement test/s will be used by your adviser to determine your mathematics course. UT offers three levels of math placement tests: elementary algebra, college algebra, and trigonometry.

Practice for Mathematics Placement Tests

The Mathematics Department provides a set of sample practice placement tests for you at math.utoledo.edu/placement_index.html. It is strongly recommended that you take the sample practice placement tests before attempting the placement tests. On the Mathematics Department Web Site, you will find information that describes how your placement score/s will be used to assign your math course. Scratch paper is allowed on mathematics tests, but calculators are not permitted.

Foreign Language Placement Test

If you have one or more years of foreign language in high school, take the placement test in that language if you intend to continue it in college. The test covers grammatical structures, vocabulary and reading comprehension. Tests are offered in Arabic, Chinese, French, German, Japanese, Latin, and Spanish.

Chemistry Placement Test

This test is composed of high school chemistry and mathematical components. You are strongly encouraged to review chemistry and math before taking the test so the results will place you at the correct course level. There are 44 multiple-choice questions, and use of a non-programmable calculator is permitted.

Practice for Chemistry Placement Test

The Chemistry Department provides information and a few practice questions on its Web Site at homepages.utoledo.edu/ajorgen/practicequiz.asp. It is strongly recommended that you answer the practice questions before attempting the placement test.

Advanced Placement (AP) Credit

Advanced Placement scores should be sent to The University of Toledo, and you will be informed of credits awarded. Credits will be posted to your UT transcript during your first semester. If you have taken Advanced Placement exams in high school, you must inform your adviser during Rocket Launch so they can plan the best class schedule for you.

Mandatory Forms to Complete Prior to Orientation

All new students are required to complete several online forms located on the New Student Tab prior to attending Rocket Launch. These forms can also be found on the Student Tab under “My Accounts”. The forms can only be completed online via the myUT Portal. Assistance will be available at orientation to ensure all new students have completed these forms prior to the start of fall classes.

The forms to complete prior to orientation include the following:

- FERPA Consent
- Title IV Consent
- Direct Deposit Authorization
- Transfer Excess Financial Aid to Rocket Card
SAVE THE DATE! New Student Convocation

Friday, August 16 at 4 p.m. • Savage Arena

This is your second required phase of Rocket Orientation. Plan to attend the New Student Convocation to get inducted into the Rocket family and kick off the school year!

During Convocation you will:
• Be introduced to and interact with professors
• Learn more about how to navigate campus life
• Obtain proven tips on how to thrive during your academic journey
• Interact with fellow students and make new friends
• Get into the Blue and Gold spirit and discover what it means to be a ROCKET
• And much, much more!

Attending New Student Convocation will definitely give you a head start to a successful career at The University of Toledo.

For more information about New Student Convocation, please visit: utoledo.edu/orientation

Freshman Camp 2013

Do you want a head start on your new life at college? Are you a little nervous about being on your own? Are you a leader looking for a great place to get involved? Freshman Camp is a weekend program specifically geared toward you! It is a great way to help jump start your involvement on campus by meeting new people, getting acquainted with The University of Toledo, finding out about college life, and having a blast! You will start the Freshman Camp weekend as strangers – but you’ll turn into a core group of friends by the end. Activities are led by UT upperclassmen who have been trained for their role as counselors through the University YMCA. They will help you build confidence, teamwork, leadership skills and lifelong friendships.

Some of the counselors shared their thoughts on the camp:

“It’s a great way for incoming freshmen to get involved before coming to school. It really helped me, and I hope it will do the same for other students.”

“I want to impact the freshmen like I was impacted.”

“I want to be a positive influence to the incoming freshmen and help them feel great about coming to The University of Toledo!”

Parents, are you worried about retention? Concerned if your son or daughter will finish college? Encourage them to participate in Freshman Camp – it is truly a program that will help them be more comfortable with their transition from high school to college life at The University of Toledo!

You have the option of attending one of the following two weekends that Freshman Camp is being offered this year: July 26-28, 2013 as well as August 2-4, 2013. Freshman Camp starts and ends at The University of Toledo with the majority of the weekend spent at YMCA Storer Camps in Jackson, Michigan or Camp Miakonda in Sylvania, OH. Your $140 fee covers transportation from UT to the Camp, lodging, all meals (dinner on Friday through lunch on Sunday), a Freshman Camp 2013 t-shirt, all programming scheduled for the weekend, and your first semester membership fee for the University YMCA. Financial assistance is available for those who qualify. For more information or to register, contact the University YMCA at 419.531.2612 or visit: ymcatoledo.org under University YMCA location. Don’t miss out on this great opportunity!

Living On Campus

Students who live on campus are more satisfied, perform better academically and make life-long friends. It’s not too late to submit your housing application. Students who wish to live on campus should submit their housing application PRIOR to attending orientation so we have your assignment ready for you when you arrive for orientation. Contact the Office of Residence Life in Ottawa House 1014, with any questions.

Phone: 419.530.2941
Fax: 419.530.2942
reslife@utoledo.edu
University of Toledo Immunization Requirements

MMR (MEASLES, MUMPS, AND RUBELLA) POLICY
The University of Toledo requires all incoming students (freshmen and transfer), and all students residing in residence halls to provide official documentation of having had two MMR (measles, mumps, and rubella) immunizations.

This documentation can be obtained from one of the following:

• A copy of the student's immunization record
• A copy of the student's baby book
• A copy of the student's high school documentation (obtained directly from the high school)
• Military records
• A statement on letterhead from the student's physician with the dates of two immunizations

You may fax your immunization documents for verification to 419.530.3499. You may also upload your documents electronically at studentvaccine.utoledo.edu. Please include your Rocket Number and semester of admission on the fax cover sheet.

Should you have any questions, please contact the Main Campus Medical Center at 419.530.3451.

Area Hotels
For your convenience, we have listed several local hotels that are only minutes away from the University. When making reservations, be sure to call and inquire about possible special rates for UT visitors. For additional hotel options, please visit u Toledo.edu/orientation/new

Orientation Fee
The University of Toledo values orientation as a significant component of student retention. The orientation fee is $110 per student, and each student is able to bring UP TO TWO GUESTS to the orientation program. The orientation fee is assessed upon course registration to the student's fall tuition bill. If you attend orientation, but decide not to attend the University of Toledo, you are still held responsible for payment of the orientation fee. If you do not attend the orientation program, you will still be billed the orientation fee upon registering for courses. Fees are non-refundable, and subject to change.
Directions To UT Campuses

From the Ohio Turnpike (exit 64):
• Follow I-75 north to I-475 (Exit 204).
• Travel west on I-475 to the fourth exit, Secor Road (Exit 17).
• Turn left onto Secor Road.
• Proceed on Secor until Bancroft Street.
• Turn left on Bancroft Street.
• Proceed on Bancroft until the third traffic light. You will see the UT campus on your right.
• Turn right onto Towerview Boulevard East.
• Parking area 10 is straight ahead and over the bridge.

Via I-75 from the South:
• Continue northbound on I-75 past downtown Toledo to I-475 west (Exit 204) (Ann Arbor/Sylvania).

Locate on-Campus Parking

Field House, Room 1080

Student Union (Program Check-In)

PARKING FOR PLACEMENT TESTING
Guests may secure a guest permit for $3/day by logging onto http://guestparking.utoledo.edu.
If you have questions on guest parking permits, call the MyPIC office at 419.530.4807.
You may park in area 13 (see the map) for placement testing after securing a visitors parking permit. There are also limited spaces with parking meters available in Area 13 which do not require a permit, but do require hourly payment (coins). The test center is located in the Memorial Field House, Room 1080.

PARKING FOR ROCKET LAUNCH PROGRAM DAY
Normally, a permit is required to park on our campuses; however, we have arranged for our Rocket Launch students and guests to park in Area 5, 10, or 13 without a parking permit. Handicap accessible parking is available in Area 11. It is imperative that you park in Area 5, 10, or 13 only. Parking in any other lot may result in a parking ticket.

Please be advised of major road construction on Secor Road during the summer months.
IMPORTANT! INFORMATION REGARDING PLACEMENT TESTING, ADVISING, AND COURSE REGISTRATION
