Now that you’ve been accepted to The University of Toledo, what are your next steps?

☐ SET up your UTAD account.

**Set up your MyUT (UTAD) account**
MyUT (also called your UTAD account) is your personalized account that allows you to log in to use UT’s online resources including e-mail, financial aid services, orientation and much more. It’s very important you do this as soon as possible after you are accepted to UT.

**How to activate your UTAD account**
1. Visit myutaccount.utoledo.edu and enter your Rocket ID. This is your student ID, and it is found on your acceptance letter from UT. If you do not know your Rocket ID number, enter your Social Security number. You will also need to enter your eight-digit birth date (no spaces between numbers).
2. Click on the button that says “Find Account.”
3. The next screen will say “Terms & Conditions.” Read this information and then click “I agree” at the bottom.
4. After clicking “I agree”, the next screen will ask you to set your password. Make sure you read and follow the guidelines for setting your password.
5. The next screen will ask you to choose a security question. Choose one and type in the answer. Press “set”.
6. At the next screen, press “confirm” and wait until your account is activated.
7. After your account is activated, your myUT username and Rocket ID number will appear to the left in a box titled “Your Account (Brief)”.
8. Be sure to remember your username, password, and your security question.

**Your UTAD account and UT e-mail account**
Your UT e-mail account is activated once you are admitted. You will be given a rockets.utoledo.edu e-mail address. It is important to start checking your e-mail frequently, as this is the main way that UT will communicate with you once accepted.

**Services available through your myUT account:**
- “New Student” tab — this will give you access to placement test and orientation information
- Look up classes/register for classes
- Request parking permit
- Accept financial aid
- View and pay bill
- Transfer credit evaluation and degree audits
- Much more!

If you need assistance setting up your UTAD account, please contact Information Technology at 419.530.2400.
