

How to Add to your Saved Vehicles

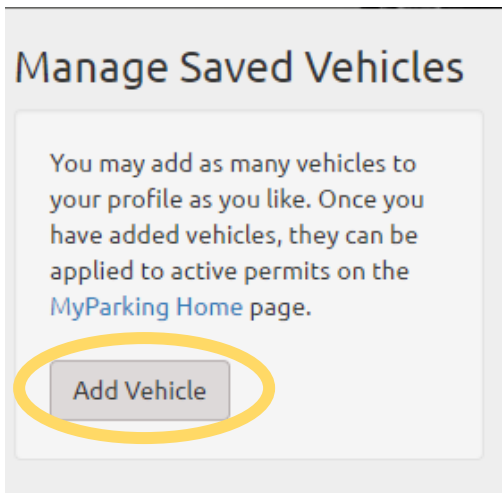

1. Log in with your UTAD username and password.

2. Click on “Saved Vehicles” located at the top of the page.

3. Select the option for “Add Vehicle.”

How to Add to your Saved Vehicles

4. Complete the following prompt:

The screenshot shows a mobile application interface for adding a vehicle. The form is titled "Add Vehicle" and includes the following fields and options:

- Enter Vehicle Nickname:** A text input field containing "Sarah's Car".
- Choose Vehicle Color:** A dropdown menu with "White" selected. A "by Palette" button is visible to the left.
- Choose Vehicle Category:** A dropdown menu with "Sedan" selected. A "by Picture" button is visible to the left.
- Vehicle Make:** A dropdown menu with "Choose Make..." selected.
- Vehicle Model:** An empty dropdown menu.
- Vehicle Year:** A dropdown menu with "Choose Year..." selected.
- License Plate Number:** An empty text input field.
- License Plate State:** A dropdown menu with "Choose State..." selected.

At the bottom of the form, there are two buttons: "Cancel" and "Add this Vehicle".

a. Examples of Vehicle Name:

- i. Mom's Car
- ii. (Significant Other's) Car
- iii. Grandpa's Car
- iv. Summer Car
- v. Winter Car

b. Vehicle color is linked to the 30 recognized colors of the BMV. The 'palette' corresponds with the color's name.

c. Vehicle Category is the type of car. For example:

- i. Van
- ii. Sedan
- iii. Coupe
- iv. Truck
- v. Motorcycle

How to Add to your Saved Vehicles
