You might think that summertime would be calm and quiet at your College of Pharmacy; but students, faculty and staff are preparing for fall, conducting research, and busily planning for the future.

Student Features: OPA Legislative Day

Several College of Pharmacy students attended OPA Legislative Day in Columbus, an event that educates pharmacists about current legislative issues and gives them valuable information about speaking with legislators. Students found the experience enriching and informative. Read more

In Their Own Words

Jim Plagakis, ‘64, reflects on what’s really involved in pharmaceutical care: the good, the bad, and the itchy. Read more

Save the Date: Homecoming 2009

Homecoming weekend is October 9-11, 2009.

The College of Pharmacy Alumni Affiliate will host a Homecoming Luncheon on Saturday, October 10, 2009.

This year’s Homecoming Continuing Education (CE) will focus on “Approaching Medication Therapy Management in 2010: Where We’ve Been, and Where We’re Going.” The session, held on Sunday, October 11, 2009, will also include a Law CE on collaborative practice, prescribing, and other topics. More information about the Homecoming CE registration will come soon.

Alumni Affiliate Officers Selected

The College of Pharmacy’s Alumni Affiliate Board has selected new officers for the 2009-2010 year. John Clark, ’00, is President, and Joel Levitan, ’69, is Vice President. The secretary is Jayne Gibbs-Peseckis, ’00, and the Treasurer is Meghan Fox, ’07, ’09. The Affiliate plans to expand activities over the next year and is looking forward to your participation in Alumni Affiliate events.

UTCP and American Heart Association keep Toledo healthy

The University of Toledo College of Pharmacy, in conjunction with the Start! Toledo Heart Walk and the American Heart Association, is helping to improve the human condition by organizing medication reviews through area pharmacies. The medication review project initiated by the college is the first of its kind to be associated with the Start! Toledo Heart Walk and the Toledo American Heart Association. Read more

The TAP/P4 Challenge is a scholarship fundraising initiative in which P4 students create a legacy for future pharmacy students. Toledo Academy of Pharmacy (TAP) is providing $4,000 in matching funds as part of the challenge to the committee and the P4 class of 2010. The campaign runs during the summer, and the P4 class has raised over $1800 so far! Congratulations, P4 class! Read more
