Our Homecoming Heroes in review

This year's Homecoming offered alumni and friends an opportunity to reunite and celebrate one another's successes. The Homecoming CE session was a great success, with participation that was more than double last year's. The topic of Medication Therapy Management for Pharmacists was timely and in accordance with the Ohio Pharmacists Association's goals. Distinguished Alumnus **Nat Lipsyc, '59**, and Outstanding Young Alumnus **Jamie Kalus, PharmD '00**, returned to UT's campus and participated in several events, as did Distinguished Service Award winner **Donna Haar**. The UT College of Pharmacy Alumni Affiliate held its annual awards luncheon, where the honorees were presented with their awards. [See photos](#)
