PP2 Representative- ______________
Dean's Report

Dean Early
Commencement: This year, the UTCPPS wanted to keep our P2 and P4 commencement out of the weekend if at all possible because of all the other commencement activities going on. What was not known is that Savage Arena is not available Friday night like in the past. Also, it is necessary make sure the President, Chancellor, and Trustee are available for the ceremony as they are needed to be present. Ultimately, there are a lot of factors playing in this year that may require us to go off campus for the commencement.
As of now, Sunday morning is the proposed time slot that will work well with everyone’s schedules. However, it is not clear yet whether a facility is available. There are only two suitable off campus facilities to hold this kind of ceremony: The Stranahan and The Parasol, but it would be preferred to keep it on campus if possible. There should be more information available on when and where the ceremony will be held in the next few days.
Thank you for your patience! post meeting note: commencement is confirmed for Sunday, May 6 at 9:30am in Savage Arena)

Congratulations University of Toledo College of Pharmacy and Pharmaceutical Sciences on the 8-year Accreditation!!!!!!
We received six commendations! The accreditation committee lauded our faculty for going above and beyond, they commented on our move to the HSC and all that we’ve accomplished with this move especially given the struggles of planning and constructing a new building, budget issues, etc. We had 40 students participate in the accreditation body luncheon and the committee was so impressed by the engagement and level of involvement that students had in the process. Thank you to all the students who participated in committees and contributed to this success!

Dr. Hinko
Suggestion Box- Stapler in the resource room: unfortunately it is difficult to keep a stapler there because it keeps breaking – you can ask to use the staplers in the Student Affairs offices (WO 1227 or HEB 155)
Experience Day- Thank you to the students who participated! The prospective freshmen loved our students and all that they saw!

The Pre-Professional Organization made $200 cleaning up Savage Arena!

Old Business

Email Gladys for monitors
   gladys.yacila@rockets.utoledo.edu
Should we even keep our website? What is the traffic? Most of our correspondence is done through email anyway. Do we really want to keep paying $5 a month for a website that probably isn’t being used very often. Ok we need to make money, let us do a bake sale! More info to follow

New Business

Miracle League Sign-Up
   Please write your name and organization on the Miracle League sign up sheet

Video Montage for alumni- ideas?
   Make it a contest? Should include stipulations to prevent it from being a primary showcase of each individual class. Other options include a raffle for anyone who submits entries. We can do the raffle at Phield Day and show the montage on a loop in the SM Conference room. More info to come once we talk to Mr. Barton

Pharmacy Phield Day

Pharmacy Recess- How was it!
   P1s really enjoyed it! Sorry P2s for your extended class. We will be doing it again!

Events

March 26th PSC Bake Sale Location TBA
