Pharmacy Student Council

at The University of Toledo

Old Business

- Adopt a Family, Toys for Tots, and Food for Families
December 7th, 5 pm: deadline to drop off donations to the Office of Student Involvement and Leadership.
<http://www.utoledo.edu/studentaffairs/osi/holidaydrive2017.html>

New Business

- Ideas for next semester:
Clothing Sale with Alumni
Phield Day
Stress Day
- For next semester we are going to look into removing organizations from Pharmacy Student Council who are no longer active in the college. We are also going to discuss having some kind of consequence for active organizations who do not attend two or more meetings in one semester.
- P1 students who are coming from microbiology lab will not lose professionalism points for being late to PPD 1 lab.
- For P1 students who do not pass a class and cannot retake it the next year because of the new curriculum, the class can either be remediated or will be offered in the summer.
- There were some concerns on who is teaching Drug Literature 1 in the spring and it was confirmed that Dr. Jung is still teaching this course.
- PharmCAS is now being used by the college for admissions so many people are applying who do not currently attend the University of Toledo. For these students there will be a whole day of tours and meet and greets so professional student volunteers will be needed. These will be happening January through March and more information regarding volunteering should be available over the break.

Event dates to remember

- Good Luck on Finals- December 11-15
- Summer registration begins February 7th

Announcements from Student Organizations

- APhA's student versus faculty basketball game is March 1st

Tentative Future Meeting Dates

January 22 @ 3:30 pm

February 12 @ 3:30 pm

March 12 @ 3:30 pm

April 9 @ 3:30 pm
