Old Business
• Stress Month – Kelsey Dorka (reformatting plans)
  o Will be changing this to a week of events since the month of events for February didn’t work.
  o This would possibly be the week after IPPE week (March 23-27)
  o Planning to have events on both HSC and Main Campus
  o Kelsey needs people to help with this, so Matt will send out an email asking for help. We need people to help run the planned events.

• Student/Faculty Townhall Meeting
  o Everything is ready to go, we just need to find a time and date that is convenient for both faculty and students to participate.
  o Goal to have constructive conversation about some of the feelings going on in the college
  o This could possibly occur the week of April 6th

New Business
• Student interest in starting a chapter of National Community Pharmacists Association (NCPA) – No representative present at the meeting for this
• OPA Student Legislative Day – Date change
  o New date is Tuesday, March 24th
• Budget Requesting Plans 2015-2016
  o Budget requests must be turned in by Wednesday February 25th by 9pm to Matt Jordan
  o Only submit the request to Student Council, not to OSI
  o Matt will send a reminder email about this
  o If you don’t submit anything, you will not be able to obtain funding from Student Council for next year
• Student Organization Calendar Reformation
Historian will get monthly updates from organizations and publicize them to the college

- Elections for Interim Historian
  - Quorum was not present, so we will have to do this at the next meeting.
  - Duties of Historian include Rocket Pharmacist (already done for this year), pictures at student council events (Phield Day), and send out information about events going on in the college

- Rocket Pharmacist Update
  - This is finished and Audra will be sending this out to everyone

- Student Organization Awards – Phield Day Preparation
  - Dean’s office will be purchasing award plaques for these awards that will be displayed in HSC computer lab. The winning organization will have their names on them.
  - Emails regarding how to apply for these awards will be sent out in March.
  - Friday April 24th at 3pm is the potential date for Phield Day.
  - Every organization can come up with a game or event to run.
  - The rummage sale seemed to be popular last year so we are planning on doing this again.
  - Danielle needs help planning this, so let her know if you are interested.

- Two organization are interested in joining Student Council. They were not able to send representatives to this meeting. If quorum is present at the next meeting we will vote on this then.

Event dates to remember

*Budget Requests due to Matt Jordan by February 25th at 9:00pm!*

Announcements from Student Organizations

- **AZO**
  - Having been brainstorming ideas to increase membership, and would like to try to start a pharmacy week next year. Each organization can host an event, and at the end of the week there will be one big event.
  - Events like Fall Fest occur too late in the semester for students to join LKS, AZO, and KY.
  - Recruiting earlier than the third week of the semester goes against Student Council bylaws, so we will have to consider voting on changing this rule. Dr. Powers will check to see if changing this goes against university policy.
  - Now that we are an umbrella organization, we may be able to change the bylaws so all of the organizations can start recruitments events at the same time since they are all collectively Pharmacy Student Council organizations.

- Something to be aware of – Now that Pam is gone, you can’t go through the secretary to reserve rooms for events anymore, unless you are reserving the Martin...
Conference Room. Your organization advisor has to speak to someone on Main Campus in order to reserve a room.

**Future Meeting Dates**
- March Meeting – TBA
- April 27th (Martin Conference Room, 4:00pm) ELECTIONS!!
