Treasurer's Report
$500 was taken out of the account and used for Phield Day

Old Business
- Budget Request Updates
  - OSI has stated that budget allocations will not be officially released until closer to the start of the Fall semester.
- Pharmacy Phield Day Recap
  - The event was great despite needing to move it inside due to weather
  - Thank you for attending, and for the donations from CVS and Rite Aid.
- Professional Fraternity Advising/Rushing
  - Current rules (advertising can start during week three of the semester and rushing during week four) were put in place due to disorganization and disagreements that occurred in 2011.
  - Nothing in the University policy or the national fraternity rules of each organization prevent us from altering the timing of these events.
  - Motioned to change the wording in the constitution to allow the professional fraternities to allow advertising the second week of the semester and rushing the third week.
    - Motion passed.
    - Matt will update the constitution
- Presentation of Student Letter – Arthur Troutwine, P3 PharmD Candidate.
  - Some P3s have created a letter addressing some points that they want the faculty to be aware of that are hard to address in the course reviews that are currently used. They want to point out some general concerns about policies in the college.
  - Arthur will be contacting the class representatives to have them look over the letter that has been drafted
  - The letter looks at things that are going well, things that students would like to see being improved, and how students would like to work with the faculty to accomplish them.
  - The students hope to work constructively with the faculty to address this.

New Business
- End of the year – PSC Recap
  - No student organizations applied for student organization awards this year, so they were not awarded. Please let Matt know if there was a reason for why there were no applications submitted
  - Many events and ideas have been started and not finished among Student Council this year. We are looking to change that for the next year, so please let us or the future e-board know any suggestions or ideas for change.
- Elections for 2015-2016 Pharmacy Student Council Executive Board
  - President
No accepted nominations for the position. Elections proceeded to the other positions.

- **Vice President**
  - Nominations – Jon Fowler
  - New Vice President – Jon Fowler

- **Secretary**
  - Nominations – Megan Partyka
  - New Secretary – Megan Partyka

- **Treasurer**
  - Nominations – Rami Barazi
  - New Treasurer – Rami Barazi

- **Historian**
  - Nominations – Amy Gilmore
  - New Historian – Amy Gilmore

- **Returning to President**
  - Nominations – Matt Jordan
  - Conflict of interest since Matt is also President of Kappa Psi
  - Matt Jordan will serve as interim president until this can be discussed further in the fall, since nobody else accepted a nomination for the position

- **Conclusion and Welcoming of New Officers**

**Future Meeting Dates**
To be determined by next President/E-Board and Drs. Holiday-Goodman and Powers.
