LKS- Holly Waldecker P3 PharmD Representative- Martin Peters
SNPhA- Nader Rouholfeda PP1 Representative- ______________
SSHP- ____________________ PP2 Representative- Amy Mierzwia
Rx Ambassadors- Janee Whitner

Dean's Report
Dean Early
On October 28th Dean Early hosted an NAACP Freedom Fund dinner. The UTCPPS received an award because of our work on Pharmacy Camp. We are very honored to have been recognized for this program.
Dean Early took lots of pictures over Homecoming Weekend and Anthony Ibrahim will send those pictures around to the organizations.
We have recently completed the ACPE Accreditation process. The accreditation committee has provided feedback on things we can improve on.
Evaluation of strategic plan
Evaluation of achievement of mission and goals
Assessment of student learning and curricular effectiveness
Monitoring of new positions the college plans to fill for experiential learning, assessment and evaluation

Assistant Dean for Academic Affairs
We then have the opportunity to work on some of these items and report back by December 19th for any action we take to be considered in the final accreditation decision. The ACPE accreditation team commended us for:
Our P3 and P4 Teaching Assistant program
Organization of the Office of Student Affairs for efficiency and effectiveness in responding to student needs
The new Wolfe Center and move to the HSC benefits our students because of interactions with other healthcare professionals

**Dr. Hinko**

Suggestion Box
One suggestion: We would love to have a stapler and three-hole punch in the resource room
We’ve actually tried to have these things in the resource room in Wolfe Hall but they have been broken in the past. We’ve tried to address the three-hole punch issue by providing pre-punched paper but we will try the stapler again though you are always welcome to use the stapler in the Student Affairs Office.
Other issues brought to the floor: Temperature problems in 1000A and B and a microphone issue in 1000B. Also all of last week the A/Vs on the computer would not work in 1000A
This information will be forwarded to the appropriate people

**Addendum (11/8/11):** The requests for fixes to the temperature, projector and microphone issues were forwarded. The projector issue was fixed last Friday and appropriate actions are being taken to fix the microphone and temperature issues
***Please, representatives, remind students applying to the professional division for Fall 2012 that they MUST have their health requirements completed and submitted in a timely manner, particularly, the Hepatitis B vaccination series. Failure to comply can result in professional conduct hearings or loss of your seat in the professional division. FOR THOSE APPLYING: See the admissions website for more information***

Leadership Retreat- How was it? How can we improve it for next year?
Consensus is that it was the best one yet! The speaker was very engaging and it was very interesting and easy to get into.

**Secretary's Minutes**

**Motion to approve:** Anthony Ibrahim **Second:** Chun Wong

**Treasurer's Report**

**Old Business**

Email Gladys to put organization information and announcements on the monitors

Leadership Retreat – Thank you letter
Everyone who attending please sign the card

**New Business**

Pharmacy Career Day Date
Wednesday, November 30 2011, 11:00am-1:00pm in Wolfe Center (HSC)
Please dress professionally; bring CV, and business cards
Academic Enrichment Center
P1 Comprehensive review day for Finals week
Date/Time is TBA, keep a look out for more information

Donation to the Pre-Professional Organization
PSC donated $50 to the PPO to jump-start their fundraising

Script Your Future Campaign
As a college our involvement was not as high as we were hoping, please take this project concept back to your organizations and get them to incorporate this into patient care projects and improve for next year

Interprofessional Research Opportunities
The Center for Clinical and Translational Research at the Jacobson Center is providing $5000 research grants for students engaging in interprofessional research. Keith Crist, an associate professor in the College of Medicine will be coming to the Interprofessional Organization of Healthcare Student’s business meeting November 16th at 6:30 in HEB 100. If you want to apply for residencies or do any kind of special internship etc, research is something that is very important to have on your residency! You don’t even have to come up with your own idea, come to the meeting and learn more about how to get started! Questions can be asked at interprofessionalorganization@gmail.com

Upcoming Events
Kappa Psi/Lambda Kappa Sigma/ APhA-ASP Fall Formal
SU Ingman Room, Saturday November 19th 7pm- 11pm
$13 for one ticket, $25 for two
