Brief Description of Thesis Topic:

Review this plan with the faculty member chosen to guide your thesis research. Provide a copy to the Honors Program Director, Dr. Martin Ohlinger, before you start your work. You may adjust this plan to fit your schedule on consultation with your Thesis Advisor.

The requirements for graduation with Departmental Honors are a 3.20 or higher GPA, an Honors Thesis, and a total of 8 hours of Honors credit in that Department, including 5 to 8 hours of Honors Seminar and Thesis. You need not be a member of the Pharmacy Honors Program.

The requirements for graduation with the Honors College Medallion are a cumulative GPA of 3.30, an Honors Thesis, and a total of 33 hours of Honors credit, including 5 to 8 hours of Honors Seminar and Thesis. You will also graduate with Departmental Honors if you meet the Departmental Honors requirements.
