POLICY

Each residency program will have written promotion criteria that each resident must achieve prior to advancement from one year to the next. The criteria must be in compliance with each of the individual RRC program requirements.

PURPOSE

Each program must have written criteria that act as milestones, which must be achieved prior to advancement of the resident from one year to the next.

Knowledge, skills, attitudes, and competencies must be clearly defined and available to the residents for their understanding of what level of performance is required prior to advancement.

PROCEDURE

Each residency program’s promotion criteria will be assessed during the periodic Document Review conducted by the GME Office.

A copy of the each residency program’s promotion criteria will be uploaded into New Innovations at the time of the Document Review.
