POLICY

All residents entering Graduate Medical Education (GME) programs at The University of Toledo will undergo a thorough review of his/her credentials.

PURPOSE

To assure the resident's fitness to participate in Graduate Medical Education at The University of Toledo.

PROCEDURE

Application to a GME program will be completed and submitted directly to the Program Director by the Resident.

Upon acceptance of the applicant to the GME program the Resident must provide appropriate credentialing documentation which will be submitted by the program to the Associate Dean for GME. Documents will be submitted to the GME Office via New Innovations on the Onboarding Checklist.

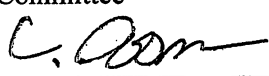

- A completed residency application. Applications will be submitted through ERAS or CAS. For programs that do not participate in ERAS or CAS a Universal Application must be completed and submitted directly to the Program Director.
- A copy of the original medical school diploma with a copy being kept in the Program files and one sent to the GME Office. The medical school diploma will be verified by the GME office.
- A medical school transcript. For international medical school graduates an ERAS submission of medical school transcript is sufficient.
- A Medical Student Performance Evaluation (MSPE) or Dean's letter from the medical school from which the Resident graduated.
- A minimum of two additional letter of reference from practicing physicians.
- A current curriculum vitae.

- Proof of legal employment status (i.e. birth certificate, passport, naturalization papers, valid visa, etc.)
- If the Resident is an international medical school graduate, an original, current, and valid ECFMG certificate. The ECFMG certificate will be verified by the GME Office.
- Ohio training certificate or a copy of permanent license to practice medicine in the State of Ohio. License will be verified by the GME Office through the State Medical Board of Ohio.
- For those residents who have prior residency training, a copy of the original residency certificate with a copy being kept in the Program files and one sent to the GME Office. Prior residency training will be verified by the GME Office.
- Completion of signed certificate of compliance with the University of Toledo Medical Center's Employee Health Services requirements for immunizations.
- Signed Document/Record Release form, and for international graduates an ECFMG release form.

Any document not printed in English must be accompanied by an acceptable original English translation performed by a qualified translator. Each translation must be accompanied by an affidavit of accuracy acceptable to the GME Office.

The completed credentials file will be reviewed with primary source validation where indicated.

Upon validation of the resident credentials file by the Associate Dean for GME, the file will receive final approval of the resident's participation in graduate medical education at The University of Toledo. The program will be notified when the credentials are completed by the GME office, via the New Innovations checklist.
