(A) Policy statement

The use of and access to the university's facilities shall at all times be consistent with the university's primary objectives of education, research and public service. The university shall retain the right to determine which activities are consistent with its primary objectives.

The use of and access to the university's facilities shall at all times be consistent with all applicable federal, state and local laws and administrative rules and management directives of the state of Ohio, Ohio board of regents and The University of Toledo, including, but not limited to, chapter 3345 of the Ohio Revised Code.

No person, without privilege to do so, shall knowingly enter or remain on university land or premises, the use of which is restricted to certain persons, purposes, or hours. Any person violating this regulation is subject to prosecution for criminal trespass.

Rules prescribing restrictions on use shall be promulgated by the president through the vice president for campus safety. Such rules shall include hours of access, a description of persons who may be permitted access, and a procedure for issuing university keys.
