(A) Policy Statement

It is important that all students maintain health insurance coverage to help ensure academic success and wellbeing.

(B) Purpose of policy

The purpose of this policy is to (a) encourage all students to maintain health insurance; (b) require that J-1 international students, those students required to do so by their educational program, and University of Toledo College of Medicine medical students maintain health care insurance; and (c) make a health care insurance plan available to all students who wish to obtain coverage.

(C) Scope

This policy applies to all University of Toledo undergraduate and graduate students. This policy is separate and distinct from and does not change existing federal health care insurance minimal essential coverage requirements applicable to University of Toledo undergraduate and graduate students.

(D) Procedure

The University of Toledo will make available a student health insurance plan that is compliant with all state and federal coverage requirements. The University of Toledo may offer more than one health care plan and dependent coverage may also be made available. Students will be individually responsible for enrolling in the offered plan(s) and directly paying the related insurance premiums. J-1 international students, those students required to do so by their educational program, and University of Toledo College of Medicine medical students shall

maintain and provide the University with evidence of minimum essential health care insurance coverage.
