

OFFICE OF RESEARCH AND SPONSORED PROGRAMS

THE UNIVERSITY OF TOLEDO

Hillary Snyder, PhD

Manager, Human Research Protection Program

Dr. Hillary Snyder joined the University of Toledo in February, 2018 as Manager of the Human Research Protection Program. She directs all Institutional Review Board (IRB) related operations and manages IRB staff. Dr. Snyder has a Ph.D. in biology from Bowling Green State University and served as BGSU's Research Compliance Officer from 2008 - 2018. In that position she directed the Office of Research Compliance; administering their IRB, Institutional Animal Care and Use Committee, Institutional Biosafety Committee and Responsible Conduct of Research training program.
