Goodness in a glass

At Jamba Juice®, we’ve been squeezing delicious, hand-crafted, made-to-order juices to inspire and simplify healthy living for nearly 25 years.

Our whole fruit and veggie blending is uniquely the Jamba® way, giving you the daily nutritional benefits of vitamins and minerals your body needs, plus at least 2 servings of fruit and veggies in every 16 oz. juice.

Teaming up to make a difference!

Through our partnership with the National Gardening Association, Jamba Juice provides garden grants to schools and community groups across the country. School gardens teach kids the nutritional value of fruits and vegetables and help to get them outside and be active.

When you come back for your next freshly squeezed juice and use the attached coupon for $1 off, Jamba Juice will donate another dollar on your behalf to support school gardens.
