

WHAT IS PHSO???

The Public Health Student Organization (PHSO) is a graduate student organization for public health students enrolled at the Northwest Ohio Consortium for Public Health (NOCPH).

PHSO

- Organizes health-related volunteer activities in the community
- Collaborates with health organizations, agencies and associations regarding public health programming activities
- Serves as a liaison between students and directors of the NOCPH
- Hosts regular social events for members

WHY JOIN PHSO??

The PHSO provides practical public health experience, contacts, and activities for NCOPH students in the administrative, health promotion and environmental health majors.

***Any questions regarding PHSO, please contact Jaime Dimmig, current
