This information will be posted in our display case outside SU 1511 and on our web site (<http://www.utoledo.edu/studentaffairs/osi/commuter>) for two months. Interested students will contact you via e-mail to this office or your phone. If you find a roommate/replacement, please contact our office and we will remove your information from the display board and the website. The Off-Campus Student Services and the University of Toledo are not responsible for any roommate(s) that you choose, so select carefully. Be sure you are following the specified procedures of the manager/landlord/owner.

SCAM ALERT!! There is a national scam being carried out in which prospective renters want to send – usually via money order – more money than the rent specified. You are requested to cash the money order and send them the extra cash. The money orders are fraudulent. Many times there is an international connection. If you are contacted, please contact the Ohio Attorney General's Consumer Fraud Office at 1-800-282-0515 or the U.S. Secret Service Toledo Office – 419-259-6434. For more information, go here: <http://snopes.com/crime/fraud/cashier.asp>. The scam contacts have all come from international addresses to this point.

All email inquiries will now come to an email account in this office. Every effort will be made to determine the validity of the inquiry (is it a registered student, does it have the factors associated with the scam, etc.). All inquiries will be forwarded to your email address and you will be alerted there could be a potential problem.
