

ULTIMATE FRISBEE CATCHES ON AT UT

Joe Duellman, 21, slides, above, and Matt Harman, 19, leaps to make catches during an intrasquad scrimmage at a practice session of the University of Toledo's ultimate Frisbee team.

Frisbee is a club-level sport at UT, which puts it between intramural and varsity-level sports. The club competes against those from other schools during weekend tournaments.

Coach Mike Kapoor said the UT team will compete against several others tomorrow in a tournament being hosted by Ohio Northern University in Ada.
