## COMING TO UTREC ROCKETEX IN JANUARY 2019

### Aqua Yoga!

Aqua yoga is a gentle, low impact class using supports in the water such as noodles and the pool wall. It uses the principles and movements of yoga and adapts them to the water, which helps release the body from the constant pull of gravity. The class helps bring harmony to the mind and body, enhance mobility, and increase flexibility while utilizing the therapeutic nature of the water. You leave feeling relaxed and renewed.

The University of Toledo Office of Recreational Services wants to say...

*Congratulations Graduates*
