What is the HPLLC?
The HPLLC is designed for first-year students interested in a health-related career. The community brings together all areas of the health-care arena and provides a collaborative environment for students to grow and learn from one another. Students have the opportunity to live with peers, form study groups, attend classes together and become more involved in on-campus activities. The HPLLC provides a network for you to have a smooth transition from high school to the University, to be successful in college and be more engaged in your learning!

Location
The HPLLC is located in Presidents Hall, an air-conditioned suite style residence hall. Each six person suite has a furnished living room and private bath shared among three double bedrooms.

Major Requirement
In order to reside in the HPLLC, you must be enrolled in one of the following academic majors:
- Athletic training
- Exercise science
- Chemistry
- Public health
- Community health
- School health
- Health care administration
- Health information management
- Pre-nursing

Community Activities
HPLLCC programs and activities focus on developing the team skills you will need as a healthcare professional, providing tutoring and academic support and putting you in touch with those already working in the field. It promotes a student-centered and community-oriented learning environment.

Past activities include:
- Fall pharmacy fest
- Route 66 conference
- Homecoming parade
- Volunteering at Imagination Station

Academic Initiatives
- In-hall advising appointments
- Community service
- Faculty meet-and-greet
- Study sessions
- Gen Chem Jamboree

Cost
There is a $75 per semester fee required.
