1) In 1-2 sentences, please indicate the housing accommodations you are requesting (ex. single room, air-conditioned room, etc.) _____

2) Please type a personal statement identifying your rationale for the requested accommodations. Be specific regarding all circumstances relevant to your request. Attach the statement to this form.

Before turning in the request for housing accommodations on the basis of disability please initial each statement and sign at the bottom:

_____ I understand that by turning in this request for accommodations, I am claiming to have a **disability** as defined by the Americans with Disabilities Act or a medical necessity. A disability is a physical or mental impairment that substantially limits a major life activity in comparison to the average person. If I am not claiming to have a disability, I need to contact the Office of Residence Life for further instructions. Disability Services only serves students with disabilities.

_____ I understand the role of the Office of Accessibility is to determine if my condition constitutes a disability. If my condition does not meet the definition of disability, my housing request will be returned to me and I will assume responsibility for following up with the Office of Residence Life.

_____ I understand that this process will take up to four (4) weeks after the receipt of the completed request by the Office of Accessibility. The only exception is in the case of an emergency or medical change. In this instance, information from a doctor documenting the urgency of the matter will be required.

_____ I understand that I will be notified in writing from the Office of Residence Life regarding the status of my request and that the Office of Accessibility will not give information over the phone other than verification of the receipt of the request.

_____ I understand that if my request is not complete when submitted it will be denied.

A complete request consists of:

- The request form
- The typed personal statement
- The typed and signed documentation from your medical professional (doctor, psychologist, etc.)

I understand all of the afore-mentioned statements.
