## Why become a **FROG?**

You really can make a difference. The value of having you be a part of this effort cannot be emphasized enough. Students and parents continually express how impressed and appreciative they are to have members of the UT faculty and staff greeting them as they arrive on campus. It gives you the chance to meet new and returning students, talk to parents and experience a little bit of campus life outside of the office or classroom. It's also a great way to show UT pride while being a part of the move-in excitement.
