

The University of Toledo Guide to Sexual Misconduct Prevention, Resources and Response

The University of Toledo is committed to ending sexual misconduct. With education, awareness and a strong campus culture that values respect and dignity, we can limit the occurrence and effects of sexual misconduct. We need your help. Read this guide, engage in trainings, speak up and stand up. We can't do it alone. We must do this together.

University employees are mandated reporters for Title IX.¹ If an incident is reported to you, University employees are required to share the information they have with the Title IX Office. This enables the Title IX Office to follow up with the parties involved to ensure all rights are protected by Title IX.
