

WHAT'S YOUR STORY? CHALLENGE

Record Your Story!

Everyone has a story, what's yours? What is your favorite UT story? Interview friends or family members about their story!

Enter the *What's Your Story?* challenge by recording your story on a recording device in a UT Story Booth. All participants will be entered in a drawing to win a FREE ipod nano.

All entries will be judged and top 10 stories will be submitted for online voting. Top prize-a weekend in Chicago! Other prizes include: \$500 book scholarship, a *Kindle* wireless reading device, and many more! Top 5 winners will record their stories in a StoryCorps kit and have their story archived in the Library of Congress.

The First Read Program at The University of Toledo brings incoming students together to provide a common reading experience that will introduce students to a part of their academic life while developing a strong sense of community with their fellow students, faculty and staff. The activities that are generated through the First Read Program are designed to engage students, faculty and staff in stimulating and intellectual discussions in and out of the classroom. The First Read Program is a partnership between the Division of Student Affairs and the UT Learning Collaborative.
