

COLLEGE OF ENGINEERING

Honors Advisors:

Dr. Brian Randolph, College Honors Director	NI 1045	419-530-8047
Dr. Richard Molyet, Computer Science and Engineering And Electrical Engineering	NI 2008	419-530-8143
Dr. Scott Molitor, Bio-Engineering	NI 5064	419-530-8168
Dr. Andrew Heydinger, Civil Engineering	NI 3006	419-530-8133
Dr. Matthew Franchetti, Mech., Indus., & Manufacturing	NI 4006E	419-530-8051
Dr. Bruce Poling, Chemical Engineering	NI 5025	419-530-8255
Prof. Richard Springman, Engineering Tech.	ET 1126	419-530-3276

All Engineering Honors students who have declared a major should meet with their faculty Advisors once each semester to review their standing in the Engineering Honors Program. This includes updating the number of Honors credits earned as well as discussing possible research projects. Students who are undecided may meet with Dr. Randolph or any of the above Advisors.
