

### **Update your information with the University of Toledo Foundation**

A new information update form is available on the University of Toledo Foundation secure website. This form may be used by Alumni, parents, donors, and other friends of the University to update their name, address, email, children, degree's from other institutions, employment, and other information. If you wish to take advantage of this opportunity, please click on the link below.

It's simple, it's secure and it will help the University of Toledo Foundation keep in touch with UT's alumni and other friends.
