

Degree Completion Information Sheet

**UNIVERSITY COLLEGE
DEGREE PROGRAMS**

THE UNIVERSITY OF TOLEDO

Degrees Offered through University College Degree Programs

- **Bachelor of Arts in Liberal Studies (ALS)** offers students a well-rounded and student-driven curriculum of seminars that explore events and attitudes through critical thinking and interaction with other adult students.
- **Bachelor of Arts or Bachelor of Science in Individualized Programs: Interdisciplinary Studies (IDVP)** allows students who have completed 20 semester hours of college coursework to earn a bachelor's degree through a nontraditional plan of study designed by the student with guidance from an academic adviser.

College Credit Hour Requirements

- 30 semester-hours in residence (completed through University College)
- 40 semester-hours at the 3000-4000 level
- 124 semester-hours minimum for graduation (excluding all remedial, repeated and duplicated course work)
- No more than 30 semester-hours of College of Business Administration course work may apply toward a University College degree (including transfer equivalents)

Transfer Credit Practices

- 94 semester-hours accepted from regionally accredited baccalaureate-degree granting institutions (excluding remedial, repeated and duplicated course work)
- 84 semester-hours accepted from regionally accredited associate-degree granting institutions (excluding remedial, repeated and duplicated course work)
- All Ohio Transfer Module classes applied toward graduation
- All accepted course work from regionally accredited institutions is applied to your degree in University College (excludes remedial, repeated and duplicated course work)
- Military credit as transcribed by ACE (American Council on Education) accepted by University College and applied toward your degree
- Advanced Placement, CLEP and DANTES credit accepted by University College (official score report must be submitted)

Information Available Online

U.Select (formerly CAS): Allows students to view course to course equivalencies, or see how courses apply to a specific degree through a cross-reference degree planning guide.
<http://www.transfer.org> (Ohio schools only)

University College: Provides information on our degree programs, courses offered, downloadable forms and resources for students. <http://utoledo.edu/ucollege>

Admissions: Students can apply on-line, arrange a campus visit, request information about programs, attend a Campus Preview day or take a virtual campus tour. <http://utoledo.edu/admission>

Directions/Maps: Directions to each of UT's campuses.

UNIVERSITY COLLEGE
THE UNIVERSITY OF TOLEDO

Meeting with an Academic Adviser

- Students can schedule an advising appointment to be conducted in person or by telephone.
- Prospective or Transfer students who have not yet applied or been admitted to The University of Toledo must bring current transcripts from all institutions attended to the advising meeting, or have them sent by FAX or e-mail prior to a phone advising meeting to ensure the accuracy of information provided by the Academic Adviser.
- **All estimations of transfer credit are unofficial until a student has been admitted and has had their official transcripts evaluated.**
- Our advising staff looks forward to serving you and is committed to providing personalized academic advising of the highest quality and accuracy.

Distance Learning

The University of Toledo's online courses and programs gives students in Ohio and beyond the opportunity to participate in UT's world class education and take courses from a variety of discipline areas. Visit their website at www.utoledo.edu/dl

Applying to The University of Toledo

New Incoming student – no previous college:

- Admission application with fee
- Official (sealed) high school transcript or GED scores

Transfer Student (from another institution):

- Admission application with fee
- Official (sealed) transcripts from all previously attended colleges/universities

Previous UT Student:

- If you did not attend any other institution since you left UT, simply meet with an adviser for re-admittance. You may be re-admitted to a different college or program at UT.
- If you have attended elsewhere since you left UT, please see instructions for Transfer Students.
