Interdisciplinary and Special Programs Department

Summer 2009

“Building A Mentoring Culture”

Instructor Sheila Doles, Program Facilitator of The Mentoring Collaborative

Expert sources of information are provided in the courses including published reports, journals, articles, research and internet-based references.

Building A Mentoring Culture:

UC 4980 (Session II - June 29, 2009 through August 07, 2009)

This course is designed to assist campus members and community/business organizations who are interested in learning what it takes to start a mentoring program, maintain and sustain a mentoring program.

Determine the needs within your organization and address the methods most effective for achieving optimal improvement in performance and engagement by mentor and mentee relationships.
