Assessing Cultural Fit

- What are the top 3 qualities that define your organization?
- What makes your organization different or unique?
- How does your organization promote/facilitate this type of culture?
- What are the most accurate ways to gauge cultural fit during the interview process?
- How and when did you know that you fit at your current organization?
- Why do you like working at your current company?
- What sorts of questions should I be asking myself to determine the type of culture I would thrive in?
- How important is cultural fit relative to financial compensation when evaluating career opportunities?
