Accreditation

The University of Toledo College of Business and Innovation has two undergraduate programs fully accredited at the undergraduate level by The Association to Advance Collegiate Schools of Business (AACSB International). These include the bachelor of business administration (BBA) and the bachelor of science in information technology (BSIT). In addition, the graduate programs are accredited by the AACSB.

Degrees Offered

Bachelor of Business Administration (BBA)

The Bachelor of Business Administration (BBA) undergraduate curriculum includes a broad liberal arts background, a general core of business courses, and a specific area of specialization.

- Accounting
- Electronic Commerce
- Entrepreneurship, Family, & Small Business
- Finance
- Financial Services
- General Management
- Human Resource Management
- Information Systems
- International Business
- Marketing
- Operations Management / Supply Chain Management
- Organizational Leadership and Management
- Professional Sales
Bachelor of Science in Information Technology (BSIT)
The Bachelor of Science in Information Technology (BSIT) program is offered jointly by the College of Engineering and the College of Business and Innovation. The BSIT program features a hands-on education leading to careers in the management of the technology infrastructure of organizations of all types and sizes. The program specifically focuses on the technology side of information technology and emphasizes interfacing technologies and the management of technologies. The curriculum covers the operational support and administration of diverse computing systems and the integration of existing technologies, components and products. The program will provide students with a breadth of skills in the core information technologies including programming, computer hardware and networking, databases and Web technologies in order to prepare students for positions as information technologists providing operational and infrastructure support for computer and information systems in business, manufacturing, and institutional organizations.

Bachelor of Applied Organizational Technology (BAOT)
All transfer students must have a minimum GPA of 2.25 and have completed a technical associate degree to be accepted into the College of Business and Innovation for the bachelor of applied organizational technology. Transfer students’ admission will be determined by the higher education (HEd) grade point average. The HEd GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of “A” equaling four points.

Associate Degree Programs
The Department of Applied Organizational Technology (DAOT) offers degrees in:

- Accounting Technology
- Business Management Technology
- Computer Network Administration
- Computer Software Specialist
- Graphic Design/Digital Imaging and Web Design (Technical Studies options)
- Information Services and Support
- Intermodal Transportation Technology
- Pre-Business (2+2 with BBA)
- Programming and Software Development
- Technical Studies - General
Admission Policies

General Requirements

Bachelor of Business Administration (BBA)
To be admitted to the bachelor of business administration program (BBA) at The University of Toledo, students need a minimum 2.80 cumulative high school grade point average (GPA) or a minimum 25 ACT composite /1150 SAT composite or a GED average score of 510 (2002 format)/710 (2014 format). Students who do not qualify for direct admission into the College of Business and Innovation BBA may be admitted to the associate of arts, AA, pre-business degree program. The AA PREB program is a 2+2 program with the bachelor of business administration degree, but students may move into the BBA program any time after they have earned a 2.4 UT GPA.

Bachelor of Science in Information Technology (BSIT)
To be admitted to the bachelor of science in information technology program (BSIT) at The University of Toledo, students need a minimum 2.4 cumulative high school grade point average (GPA) or a GED average score of 480 (2002 format)/700 (2014 format) with a Mathematical Reasoning subscore of 180 and a minimum 21 ACT composite or 990 SAT.

Bachelor of Applied Organizational Technology (BAOT)
Students must have an earned technical associate degree and a minimum GPA of 2.25 to be admitted to the bachelor of applied organizational technology at The University of Toledo. Transfer students’ admission will be determined by the higher education (HEd) grade point average. The HEd GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of “A” equaling four points.

Associate Degree Programs
To be admitted to an associate degree program in the College of Business and Innovation at The University of Toledo, students need a minimum 2.00 cumulative high school grade point average (GPA) or a minimum 18 ACT composite /870 SAT composite or a passing GED average score of 450 (2002 format)/600 (2014 format). Students who do not qualify for admission to the College of Business and Innovation will be admitted to the University of Toledo Learning Collaborative and may transfer to the College of Business and Innovation when the minimum requirements are met.

Admission to Divisions - BBA
The qualifications for admission to the undergraduate degree program and to the upper division, the prerequisites for courses, and all other requirements apply equally to full-time, part-time and transfer students. For purposes of internal admissions, the College of Business and Innovation has the following divisions:

1. The Lower Division – Students admitted to the BBA enter this division upon admission to the University and to the college. In the lower division, students complete the pre-professional business and University Core/General Education Classes.

2. The Upper Division – Undergraduate students in the BBA apply for admittance to the upper division also known as the professional division or sequence when their earned hours plus their registered hours total at least 60 hours. In additional to the 60 hours, a student must have earned a minimum GPA of 2.25 in the following courses: BUAD 1010, 1020, 2040, 2050, 2060, 2070 and 2080; as well as an overall minimum GPA of 2.25. A student not meeting the overall standards but
with a cumulative GPA of 2.0 upon appeal, will be reviewed by the college admission committee for admission to the upper division on an individual basis. Students may officially declare their major or area of specialization when applying to the upper division.

Students wishing to major in accounting have additional requirements which must be met to enter this major/area of specialization. To be admitted to the accounting area of specialization and to register for ACCT 3110, students must earn a minimum GPA of 2.750 in the introductory-level college accounting courses, including a grade of C (2.0) or higher in both BUAD 2040 and 2050 or equivalent courses, and an overall higher education minimum GPA of 2.750 in all prior college level courses. Any appeals are reviewed by the Accounting Department.

Transfer /Change of College Admission Requirement

All transfer students must have a minimum GPA of 2.40 to be accepted into the College of Business and Innovation to pursue a Bachelor of Business Administration (BBA) or a Bachelor of Science in Information Technology (BSIT), a minimum GPA of 2.25 to pursue a Bachelor of Applied Organizational Technology (BAOT) and a minimum 2.00 GPA to pursue any associate degree in the College of Business. Transfer students’ admission will be determined by the higher education (HE) grade point average. The HE GPA is based on all letter grades attained at all institutions of higher learning and uses the point average scale of an equaling four points.

The admission of students wishing to change from another college within The University of Toledo to the College of Business and Innovation to pursue a Bachelor in Business Administration or a Bachelor of Science in Information Technology must have a minimum 2.40 GPA based on their current UT cumulative GPA. To pursue any associate degree in the College of Business, a student must have a minimum 2.00 GPA based on their current UT cumulative GPA.

Transfer /Change of College Degree Requirements

All College of Business and Innovation degree requirements are the same for students whether or not they begin at UT or transfer into a program at some point.

Transfer courses will be evaluated by the College of Business and Innovation after the student has submitted official transcripts from all colleges/universities attended and has been accepted by the college. The student must complete the evaluation process before the end of the first term of attendance at UT.

For purposes of determining the UT GPA, grades from another institution do not transfer. The GPA will be based on the course work taken while enrolled in The University of Toledo. For students transferring into the College of Business and Innovation from another college within The University of Toledo, all undergraduate hours attempted and earned, as well as the GPA, will transfer. To qualify for the bachelor of business administration degree, students must fulfill all College of Business and Innovation course and grade requirements.

Transfer students should note The University of Toledo will include all course work taken at all institutions of higher education in the calculation to determine if a student will graduate with honors. All college course work taken is computed in determining eligibility for graduation with honors, although no student will be awarded a level of honors above that indicated by The University of
Toledo cumulative GPA. The University of Toledo requires a minimum of 30 semester hours of standard letter-graded courses from UT in order to qualify for graduation with honors.

Students must complete at least 50% of all business courses, as well as 50% of major/area of specialization courses and 50% of business minor courses at the University of Toledo.

**Evaluation of Courses**

The College of Business and Innovation Office of Student Retention and Academic Success (OSRAS) will complete the evaluations based on course equivalencies determined by the appropriate academic unit. In many cases, courses from other universities/colleges have been pre-approved for equivalency and will transfer with confirmation. Equivalent courses from AACSB-accredited schools automatically transfer. When automatic transfer does not exist, it may be possible for a student to obtain course equivalency by petitioning to take a proficiency exam to validate the credit. Students should provide a course syllabus and/or any additional documentation with the petition. Students should contact the OSRAS for additional information.

**Testing for Credit**

In the College of Business and Innovation, there are two distinct areas of testing for credit related to COBI courses – (1) testing to validate transfer or native coursework that was not applied at the desired level of credit based on accreditation or other issues for credit and (2) testing based on knowledge earned outside the classroom as defined by the university policy on credit for prior learning.

Students who have transfer or native credit that was not initially accepted for course credit or course credit at the desired level, possibly based on accreditation issues, may pursue testing for credit based on departmental approval and test availability to hopefully validate their transfer credit to the desired level. In many departments, testing for credit is only allowed for COBI CORE courses designated by a “BUAD/Business Administration” prefix. A maximum of 50% of major or minor courses as well as 50% of all business courses may be taken as transfer credit. Some departments/majors have transfer agreements in place with other Universities that set additional conditions or procedures which supersede this general college policy.

Students who feel they have significant knowledge in a COBI CORE subject area may pursue a “testing for credit” option through university procedures*. COBI CORE subject areas are limited to BUAD courses and are not major specific. Please see the Credit By Exam Form located on the Registrar’s Office website for additional information: [http://www.utoledo.edu/offices/registrar/forms.html](http://www.utoledo.edu/offices/registrar/forms.html)

There are no fees associated with the validation of transfer course credit, but university fees do apply for other testing options. **All COBI testing procedures** are coordinated through the specific department chairs, the Office of Student Retention and Academic Success and the Dean’s Office. Any test for a course may only be attempted once.

*This policy is currently under review by the college to consider testing for credit in major/minor courses outside the COBI CORE /BUAD area. Courses in the AOT department are currently not subject to these limitations and are open to any testing procedures as approved by the university.
College of Business and Innovation Honors Program

Jesup Scott Honors College
The Jesup Scott Honors College is an opportunity for students of high ability and achievement to enrich their regular program of college work. Admission is based on grades, scores on achievement tests and an essay. The College of Business and Innovation’s Honors Program is offered as part of the Jesup Scott Honors College. Students take honors courses in the Honors College, as well as in the College of Business and Innovation. Enrollment in honors courses is limited. Up to 30 freshman students are admitted each fall to a program leading to receipt of the College of Business and Innovation honors citation upon graduation.

Departmental Honors
Currently enrolled University of Toledo students and transfer students may apply during their last semester in the college’s lower division for admission to the College of Business and Innovation departmental Honors Program if they have completed at least 45 semester hours of college work and have earned a minimum GPA of 3.3 (4.0 scale). Students are admitted to the departmental honors program on a space-available basis.

Program Requirements
College of Business and Innovation College Honors Program
To be eligible for the College of Business and Innovation Honors Program citation, a student must:
1. Fulfill all requirements for an approved degree program within the college with a minimum overall GPA of 3.3.
2. Complete a minimum of 33 hours of honors courses, which must include the courses listed below.
3. If a student already has non-Honors credit for a required course, another honors course will be substituted.

Lower Division Courses:
BUAD 1010 Introduction to Business
BUAD 2040 Financial Accounting Information
HON 1010 Readings Conference I
HON 1020 Readings Conference II
HON 2020 Multicultural Literatures: The North American Experience
Or
HON 2030 Multicultural Literatures: The Non-European World

Upper Division Courses:
BUAD 3010 Principles of Marketing
BUAD 3020 Principles of Manufacturing and Service Systems
BUAD 3030 Managerial and Behavioral Processes in Organizations
BUAD 3040 Principles of Financial Management

Plus a minimum of three hours earned by successful completion of one upper-division interdisciplinary seminar offered through the University Honors College.
College of Business and Innovation Departmental Honors Program
To be eligible for the College of Business and Innovation departmental Honors Program citation, a student must:
1. Fulfill all requirements for an approved degree program within the college with a minimum overall GPA of 3.3.

2. Complete a minimum of 15 hours of honors courses that must include the following:
   **Upper Division Courses:**
   - BUAD 3010 Principles of Marketing
   - BUAD 3020 Principles of Manufacturing and Service Systems
   - BUAD 3030 Managerial and Behavioral Processes in Organizations
   - BUAD 3040 Principles of Financial Management
   - BUAD 4020 Senior Business Policy Forum-Honors Thesis

3. If a student already has non-Honors credit for a required course, another honors course will be substituted.

Honors Retention Standards
To remain in good standing in the College of Business and Innovation Honors Program, a student must earn a minimum overall GPA of 3.0 by the end of the first year (typically at least 30 hours), 3.1 by the end of the second year (typically at least 60 hours), and 3.2 by the end of the third year (typically at least 90 hours), and make satisfactory progress toward fulfillment of the requirements for a degree “with honors” in the college.
Study Abroad Opportunities for Business Majors

Participation in Study Abroad allows our students to gain hands-on, practical international experience for today’s global marketplace. The University of Toledo has partnered with various consortia to include USAC (University Studies Abroad Consortium) ISA (International Studies Abroad) GlobaLinks Learning Abroad – AustraLearn / AsiaLearn / EuroLearn, and Semester at Sea. These partnerships allow UT students the opportunity to study at top-ranked, international universities throughout the world. Our most popular sites include: Torino Italy, Bilbao Spain, Gold Coast Australia, Shanghai China, Luneburg Germany, and Puntarenas Costa Rica.

All College of Business and Innovation students, regardless of their intended major(s), are strongly encouraged to study abroad throughout their undergraduate degree program. Study abroad programs assist students in the development of academic, intellectual, personal, professional, and cross-cultural skills. Students may choose to study abroad over a traditional fall or spring semester, over non-traditional, intensive summer sessions, or throughout the full academic year. Students typically enroll in a combination of upper-level business courses and core curricular courses (taught in English). Elementary, intermediate, and upper-level foreign language tracks are also available; multiple courses may be completed in only one semester (particular programs determine language requirements). Foreign language proficiency prepares students for international internship opportunities.

Additionally, the College of Business and Innovation offers 10-day, faculty-led, international intensive immersion trips to Eastern Europe, Western Europe, and Asia throughout the academic year (to include summer semester). Intensive immersion opportunities vary from year to year.

COBI students will meet with the COBI Study Abroad Specialist, Deborah Krohn, who works in conjunction with the Director of Student Academic Success and the COBI department chairs to identify which study abroad courses will transfer into their specific degree program.

Please note that current students are also eligible to receive a free travel grant from The University of Toledo’s Center for International Studies and Programs Office. For more information on any of the aforementioned programs, please contact Deborah Krohn, the College of Business and Innovation Study Abroad Specialist, at deborah.krohn@utoledo.edu or the OSRAS at 419-530-2087 for a referral. Please note that early preparation (first-year planning) is imperative to successful study abroad opportunities!
Academic Policies

Academic Advising
Students receive advising concerning their academic program from the college professional advisers located in the Office of Student Retention and Academic Success in Savage Business Complex Room 3130. Students may self-select which of the COBI advisers to work with or the office will make recommendations based on need and adviser level of expertise. Advisers are cross-trained in a variety of areas so that someone is always available to answer specific questions. Appointments and walk-in hours are available throughout the year. Students may also email general questions to the staff through COBAdvising@utoledo.edu. Degree audits (DARS) are available in the office and online through Student Self-Service through the myUT portal.

Although advisers assist students as needed, the final responsibility for fulfilling all degree requirements rests with the student.

Declaring or Changing a Major and/or Minor
Forms for declaring or changing a college major and/or minor are available in the Office of Student Retention and Academic Success or online at http://www.utoledo.edu/business/StuServ/Forms.html

GPA Recalculation for Repeated Courses
Effective fall 2006, if a student repeats a UT course and receives a higher grade, a request to delete the original grade, as long as the original course grade was lower, can be made. Prior to fall 2006, if a student repeats a UT course and receives a grade of C (2.0) or higher, a request to delete the original grade, as long as the original course grade was a C- or lower, can be made. The request form is available in the Student Services Center. If the original grade was earned because of cheating or academic dishonesty, it will not be deleted. A maximum of 12 credit hours can be deleted by university policy.

Academic Probation
When a student’s cumulative GPA falls below 2.0, the student is automatically placed on probation. Students are recommended to reduce their enrolled hours and meet with an adviser to develop a plan of action to improve their GPA.

Academic Suspension
Academic suspension means a student is not eligible to enroll in courses from The University of Toledo or any other college/university for a minimum period of one semester. A student is subject to academic suspension if he/she falls below the minimum requirements or fails to make sufficient progress toward attainment of the degree. No course work taken at any other educational institution during the student’s suspension shall be accepted as transfer credit. However, students may remove incompletes while under suspension.

University standards for required minimum GPA associated with attempted quality hours
- Minimum 1.00 GPA, after attempting 10-19 semester hours
- Minimum 1.50 GPA, after attempting 20-29 semester hours
- Minimum 1.70 GPA, after attempting 30-39 semester hours
- Minimum 1.80 GPA, after attempting 40-49 semester hours
- Minimum 1.90 GPA, after attempting 50-59 semester hours
- Minimum 2.00 GPA, after attempting 60 semester hours
Readmission
Suspended students cannot enroll at UT for at least one semester. A suspended student must submit an appeal in writing for readmission to the College of Business and Innovation Academic Standards Committee at COBladvising@utoledo.edu. Students suspended for a second time cannot enroll at UT for at least one year. Appeals must be received at least one month prior to the beginning of the academic term.

Code of Student Academic Conduct and Student Academic Grievance Procedure
Issues related to charges of student academic misconduct or disputes as to final course grades, and the procedures for resolving such issues are set forth by the specific language of the Code of Student Academic Conduct and the procedures for resolution of such issues in the Student Academic Grievance Procedure. Procedural guidelines may be located on the college’s Web site at http://www.utoledo.edu/business/COBI/COBI CCD/COBIS StudentResources.asp

Degree Audit Requirement (DARS)
The Degree Audit Reporting System is an automated record that contains all of a student’s graduation requirements and tracks that student’s progress toward meeting those requirements. Degree audits are available to students upon request from the Office of Student Retention and Academic Success and online through the myUT portal Student Self-Service. Students are encouraged to keep current degree audits for their personal use and to discuss their degree audits with their academic advisers.

Degree Requirements for the Bachelor of Business Administration (B.B.A.)
Grade and Hour Requirements
In order to earn a B.B.A. degree, students must complete a minimum of 126 semester hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. All General Education/University Core, lower division and upper division requirements must be satisfied. Students must earn a minimum of a C (2.0) grade in each course in the major/area of specialization, in the Communication requirement, and in each course in a business minor (if one is completed). The departmental chair has the prerogative of substituting an additional course in the area of specialization or minor, rather than requiring the student to repeat the course in which a grade below C was received. The student must earn a C or higher in the substituted course for it to satisfy the requirements of the specialization or minor.

Lower Division Curricular Requirements
Students earning bachelor degrees in all colleges and programs are required to complete 36 credit hours of courses that comprise the General Education/University Core Curriculum. The courses are distributed in the areas of English composition, humanities/fine arts, social sciences, natural sciences, mathematics and multicultural studies.

Lower Division courses that each student is required to take in the College of Business and Innovation, regardless of area of specialization, are identified below. Students must earn a minimum 2.25 GPA in the subset courses (*) to meet graduation requirements.
BUAD 1000  Orientation for Business Students
BUAD 1010  Introduction to Business (*) (or course equivalent)
BUAD 1020  Microcomputer Applications (*) (or course equivalent)
BUAD 2000  Career Development I
BUAD 2040  Financial Accounting Information (*) (or course equivalent)

BUAD 2060  Data Analysis for Business (*) (or course equivalent)
BUAD 2070  Application of Statistics in Business Decision Making (*)
BUAD 2080  Global Environment of Business (*) (or course equivalent)

**Upper Division Curricular Requirements**
All students must make formal application for admission to the upper division one semester before the semester in which they earn 60 hours.

The core junior and senior years of the curriculum consist of the following upper division business requirements, an area of specialization, and a minor or business elective courses and the Communication requirement. Students must earn a minimum 2.25 GPA in the subset courses (*) to meet graduation requirements. Students must also earn a grade of “C” (2.00) or higher in all major and minor courses as well as the Communication requirement.

BUAD 3000  Career Development II
BUAD 3010  Principles of Marketing (*)
BUAD 3020  Principles of Manufacturing and Service Systems (*)

Notes: * Select from approved General Education/University Core course work, see Degree Audit for course selections.

Sample plans beginning with Math 1200 or Math 1320, possible prerequisites to Math 1730 based on placement, may be found on the COBI homepage. These plans may still be completed within the minimum 126 credit hours required for the BBA.

Requirements for areas of specialization and minors are identified by functional area in the following pages. Students in the College of Business and Innovation wishing to pursue a second area of specialization can count up to two relevant courses (6 hours) taken in their first specialization toward a second specialization. Relevance of the courses is at the discretion of the two departments. Such a program may require taking more than the minimum of 126 hours for the B.B.A. degree.
Residency Requirement
To earn a degree from the College of Business and Innovation, a student must complete at least 50 percent of business credits from the college as well as 50 percent of their major and minor course work. The senior year (final 30 semester hours) in the baccalaureate program must be taken in residence at UT by all business students. Under certain circumstances, appeals to the senior residency rule are approved for up to 15 semester hours.

Additional Degrees / Course work
While students may return to complete additional course work or degrees after an initial bachelor degree is awarded, a second BBA will not be awarded if the initial degree was also a BBA or an equivalent degree in Business.

Class Ranks
In the College of Business and Innovation, class rank is determined as follows:

Programs of Study - BBA

Areas of Specialization / Majors
Students must take a minimum of 10 courses between their area of specialization/major and either a business minor, second specialization or other 3000/4000 level business electives. Courses in the area of specialization may consist of required and or elective courses and an internship opportunity. Students should consult their degree audit for specific degree and major requirements.

Accounting
*Dr. Hassan HassabElnaby, departmental mentor*
The department of accounting offers courses in the areas of financial accounting, management accounting, auditing, accounting systems and taxation. Completion of an accounting area of specialization leads to professional careers in public accounting, business and government and begins the preparation for the Certified Public Accountant (CPA), Certified Management Accountant (CMA) and Certified Internal Auditor (CIA) examinations.

The specialization in accounting is designed to enable students to advance more rapidly to positions of responsibility and leadership in their chosen fields. In the state of Ohio, all candidates taking the CPA exam must have completed 150 credit hours. Accounting career fields other than public accounting have not adopted the 150-hour requirement. Students should discuss additional CPA requirements with their Accounting faculty members.

The department of accounting offers a graduate degree, the MS in Accounting, that can be pursued after completion of the bachelor’s degree.
Program Requirements
No junior-level accounting courses may be attempted until a student is admitted to the upper division and the Accounting major by the College of Business and Innovation Accounting Department.

Bachelor of Applied Organizational Technology (BAOT)

Grade and Hour Requirements

In order to earn the B.A.T. degree, students must complete a minimum of 126 hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. The total hours include transfer hours as well as hours completed at The University of Toledo. Requirement categories are listed below. Students must complete a minimum of 30 hours at the University of Toledo to meet senior residency requirements. Additional grade requirements are listed below. All General Education /University Core requirements must also be satisfied.

Degree requirements

Because each Associate Degree may contain courses that transfer in to a variety of requirements in the program, degree requirements are evaluated on an individual basis. Because of this, it is impossible to list a plan of study for the remaining requirements. Below is a listing of the overall degree requirements prior to transfer evaluations.

1. General Education/University Core (36 credit hours) including:
   - English Composition 6 hrs
   - Core Math (excluding Statistics) 3 hrs
   - Humanities/Fine Arts 6 hrs
   - Social Science 6 hrs
   - Natural Sciences (including lab) 7 hrs
   - Multicultural:
     - Diversity of U.S. 3 hrs
     - Non-western 3 hrs

2. General Business Concentration
   A. Prerequisites:
      A minimum cumulative GPA of 2.25 is required in the following prerequisite courses or their equivalents.
      - ECON 1150 and 1200, or equivalent 3-6 hrs
      - Any Core MATH 3-5 hrs
      - BUAD 2060 or equivalent 3 hrs
      - BUAD 1020 or equivalent 3 hrs
      Eighteen (18) hours are required beyond the prerequisite courses above. A grade of C (2.0) or better is required in each of the following courses (maximum of 2 courses may transfer towards minor)

   B. Required Foundation Course:
      - BUAD 2040** Financial Accounting Information 3 hrs

   C. Additional Requirements:
      Select three (3) courses from the following (one must be 3000 level to avoid additional course work):
      - BUAD 1010 Introduction to Business 3 hrs
      - BUAD 2030 Executive Communication Essentials 3 hrs
      - BUAD 2050** Accounting for Business Decision Making 3 hrs
Select two (2) additional courses from the eight listed above or select two courses at the 3000- or 4000-level from ACCT, FINA, INFS, MGMT, EFSB, IBUS, EBUS, OPMT, HURM, PSLS, BANS, BLAW, or MKTG to complete the additional requirements. (Prerequisites for selected courses must be fulfilled.) Prerequisites for an MBA can also be fulfilled by completing any of the indicated (***) courses with a minimum grade of C (2.0).

3. Upper Level Courses
30 hours must be taken as upper division courses (numbered 3000-4000) from a college outside the College of Business and Innovation at UT. All prerequisites must be met.

• 15 hours of the 30 upper level hours must be from the Colleges of Languages, Literature and Social Sciences; Natural Sciences and Mathematics; and Visual and Performing Arts.

• An additional 15 hours of upper level hours must come from any college except the College of Business and Innovation at UT.

• Students have the opportunity to complete a minor in the Colleges of Languages, Literature and Social Sciences; Natural Sciences and Mathematics; and Visual and Performing Arts with the proper selection of classes.

4. Additional courses/credit hours may be necessary to make up the difference toward the minimum 126 hours required for the degree program.

Additional Notes:
• Approximately 60-66 hours will be transferred in from an Associate Degree. This may include some General Education core and business classes as well as technical courses. These technical courses will be at the 1000-2000 level and credit will be counted under Additional Courses.
Programs of Study – Associate Degrees
In order to earn any associate degree, students must complete a minimum of 60 semester hours of course work, with a minimum cumulative 2.0 GPA on a 4.0 scale. A minimum of 15 hours must be complete through the University of Toledo. Please consult the Office of Student Retention and Academic Success and Fall 2014 Degree Audits for additional information.

ATS Degree Requirements for Technical Studies – Focus Web Design
Business Minors for Non-Business Students at The University of Toledo

The College of Business and Innovation offers a general minor and seven specialty minors (accounting; business analysis; electronic commerce/information technology; entrepreneurship, family and small business; international business; professional sales and operations/supply chain management) for students in non-business programs at The University of Toledo. These minors are recommended for students who want to enhance their academic programs with business-related course work. Students taking courses in the business minor must meet course prerequisite requirements. These minors are designed specifically for non-business students and should not be confused with the individual minors offered for College of Business and Innovation students. Students can complete a maximum of two minors and may take no more than one course that fulfills the requirements of both minors. Students should contact advisers in the College of Business and Innovation for additional details about the minors and advisers in their college to check on the fit into their curriculum.

General Minor for Non-Business Students

Requirements for the General Minor in Business for Non-Business Students
