

Access to Information Resources through the University of Toledo

Thank you for the time that you invest in working with our students, helping them develop the skills they need to be successful in their careers!

Summary of library benefits

Your library benefits include:

- Access to online library resources, including journal articles and full-text books
- Book borrowing from our library and any OhioLINK library
- Reference and research help from the friendly librarians at the Mulford Health Science Library

Accessing online library resources

Go to: <https://www.utoledo.edu/library/mulford/> or <https://libguides.utoledo.edu/md>

From either website, you can access nearly all of our electronic resources. Helpful links including our lists of online journals, research databases, and LibGuides can be found on the left-hand side of the page.

Entering UTAD and Password

When you click on a licensed resource to which we have off-campus access, you will be prompted to enter your UTAD and Password.

The University of Toledo

If you are accessing an OhioLINK resource, you will be prompted first for your institution (University of Toledo), campus (Health Science):

Sign in with your organizational account
