Loyola 2019 Patent Law Interview Program

Loyola University Chicago School of Law is hosting the 2019 Patent Law Interview Program on **Thursday and Friday, July 25-26** in Chicago, Illinois. This nationwide interview program targets patent law employers and rising 2L and 3L students.

Last year roughly 140 employers, 190 law schools, and 1,100 law students from across the country participated in the program. The program is entirely pre-selected, which means that students submit application materials to apply to interviews with the employers they are interested in, and employers then review their materials and select the students they wish to interview at the program. Last year, approximately half of the participating students were selected for interviews.

Students with undergraduate or graduate degrees in engineering or a technical science should consider registering for the program. You do not need to be patent bar eligible to register, although the vast majority of employers participating in the program are seeking patent bar eligible students.

For more information on the program, please refer to the Loyola Patent Program website at:

<https://www.luc.edu/law/currentstudents/careerservices/patentprogram/>. **Online student registration for this year's Patent Law Interview Program will begin on Tuesday, February 5 and close on Thursday, February 28.** Students can register at:

https://epay.luc.edu/C20996_ustores/web/classic/store_main.jsp?STOREID=311&SINGLESTORE=true. At this stage of registration, you will only need to enter some basic information (you will upload your resume and bid on interviews later in the semester). There is a non-refundable \$40 dollar registration fee that you must pay by credit card to complete your online registration. Please have your credit card ready when you register.

Once you have registered, the program staff will communicate with you directly via email to the address that you entered when registering for the program. Please direct any questions about the program to Toledo Law's Patent Program Liaison in our office, Kelly Tomlinson at kelly.tomlinson@utoledo.edu.

The Competition was created to encourage relevant innovative scholarly works in the area of Labor and Employment, and to attract Ohio law students to the labor and employment law practice fields. A judging committee comprised of distinguished practicing attorneys and faculty members at Ohio ABA-accredited law schools will review the submissions and award first, second, and third-place cash prizes to the winning student-authors. The cash prizes for such competition have been established as follows: First Place: \$3,000; Second Place: \$2,000; and Third Place: \$1,000. Funding for the Competition is sponsored by the Ohio State Bar Association Section on Labor and Employment Law—an energized community of over 1,300 lawyers representing employees, labor unions, and employers in Ohio.

Please share this opportunity with students who may be interested in participating. All students at ABA-accredited law schools in Ohio are invited to submit entries, pursuant to the rules of the Competition detailed below. For all purposes of this Competition, Northern Kentucky University (NKU)-Chase is considered an Ohio law school.

1. This Competition will be administered by a Committee of at least five persons, each of whom will be either a faculty member at an Ohio law school or a member of the Ohio State Bar Association Section on Labor and Employment Law. Each student entry will be read by at least two Committee members.
2. Judges will pay specific attention to these questions:

 - How well is the author's position argued and supported?
 - What is the quality of the author's legal analysis?
3. Entries also will be evaluated on grammar, spelling, usage and syntax, clarity, structure, overall appearance, strength of writing, and strength of consideration of competing viewpoints.
