## **Professional Development Program**

## Professional Development Program

### Student Instructions

The College of Law designed the Professional Development Program to help you build your professional identity and network throughout your legal education career. Each year you will be required to complete certain mandatory activities. Additionally, throughout law school you will be required to attend networking and skills events, complete pro bono awareness tasks, and participate in career exploration activities. Inside your designated class folder will include the activity categories and numbers of activities required for each class year. This Professional Development Program is a floor, not a ceiling; OPD encourages you participate in as many of the activities as your schedule allows.

#### How it works:

**Mandatory Activities:** Mandatory activities include class level specific programming required by the Office of Professional Development. These meetings will be announced in the OPD newsletter and/or via emails sent by OPD staff. Some activities may be “on-demand” or web-based. Additionally, these activities will likely require pre- or post-work such as filling out a professional identity assessment or updating your application documents.

**Networking and Skills Events:** These are events sponsored, or co-sponsored by OPD, and generally involve participation by Toledo Law alumni or friends of the law school. OPD staff will publicize notice of events that qualify under this category in the OPD newsletter and/or by email.

**Pro Bono Awareness Tasks:** Ohio, along with many other states, encourages pro bono work as part of a lawyer’s professional duties to the public and justice system. Therefore, these tasks are not only a resume builder, but they will help kick-start a commitment to your professional duty as lawyers. The Ohio Supreme court states in the Preamble to the Ohio Rules of Professional Conduct: “...[A]ll lawyers should devote professional time and resources and use civic influence to ensure equal access to our system of justice for those who because of economic or social barrier cannot afford or secure legal counsel.” It is your responsibility to find pro bono clinics and volunteer to help, or find an attorney to work with or shadow. OPD is happy to help in your search but will not be responsible for placement in these opportunities. OPD may advertise pro bono projects and other opportunities via the newsletter or emails.

**Professional Exploration:** Professional exploration tasks will aid in determining your professional identity and long-term career path. Exploring the profession can be done on a large scale, by attending a legal conference, for example. Or on a smaller scale, such as a one-on-one informational interview. It is your responsibility to find outside events related to your areas of interest, set up informational interviews, or arrange observation of a legal proceeding. OPD is happy to help in your search.

**Tracking:** This webcourse should be used tracking your completed activities. You are responsible for reporting the activities that you completed. The Office of Professional Development will track attendance at all mandatory *in-person* activities. Note, if you complete a mandatory activity on-demand, you are responsible for tracking it in the “2019-2020 Professional Development Program (PDP)” webcourse.

**Turn-in:** You are required to report each Networking and Skills, Pro Bono Awareness, and Professional Exploration activity by end of the semester in which you complete the number of credits for each class level. This is your “reporting period.” Reporting is done via the “2019-2020 Professional Development Program (PDP)” webcourse, and should be done in the appropriate drop-box or questionnaire for each activity.

For example, if you are a full-time 1L student who started in August 2019 and completed 30 hours by the end of Spring 2020, you would report your 1L activities by the end of the Spring 2020 semester for the “1L reporting period.” If you are a part-time 1L student who started in August 2019 and completed 30 hours by the end of Spring 2021, you would report your activities by the end of the Spring 2021 semester.

2-year JD students will only complete the first and second reporting periods.

Contact [OPD@utoledo.edu](mailto:OPD@utoledo.edu) with questions about the Professional Development Program (PDP).

For the checklist of activities, log into Blackboard > "2019-2020 Professional Development Program (PDP)" and click on the appropriate folder for your reporting period under "Content."
