Professional Development Program

Purpose of the Professional Development Program

The College of Law designed the Professional Development Program to help you build your professional identity and network throughout your legal education career. Each year you will be required to complete certain mandatory activities. Additionally, throughout law school you will be required to attend networking and skills events, complete pro bono awareness tasks, and participate in career exploration activities. Inside your designated reporting cycle folder will include the activity categories and numbers of activities required for each reporting cycle. The Professional Development Program is a floor, not a ceiling; OPD encourages you participate in as many of the activities as your schedule allows.

How it works

Reporting cycles are based on the number of credits you have earned at the end of the semester. For example, you must have completed all activities listed in the “0 – 30 Credits Reporting Cycle” between the time you start law school and the semester in which you earned your 30th credit. For the “31 – 60 Credit Reporting Cycle” complete all activities listed between the semester you earned your 31st credit and your 60th credit. And for the “61+ Credits Reporting Cycle” between the semester you earned your 61st credit and the semester that you graduate. For some students, cycles may overlap. You may begin working on the next reporting cycle once you’ve completed the last one if your semester bridges the reporting cycle. I.e. you start a semester with 27 credits and end it with 42 credits, you can finish the 0 – 30 reporting cycle, then start working on the 31 – 60 reporting cycle activities.

Mandatory Activities: Mandatory activities include class level specific programming required by the Office of Professional Development. These meetings will be announced in the OPD newsletter, emails sent by OPD staff, and/or on TLCN. Activities may be web-based or in-person if safety standards allow. Additionally, many of these activities require pre- or post-work such as updating application documents or certify completion of an on-demand video.

Networking and Skills Events: These events are often sponsored or co-sponsored by the Office of Professional Development, Alumni Affairs, or a Bar Association. They are designed to help you build your networking skills. Events can take place virtually or in person (when allowed).

Professional Exploration: Professional exploration tasks will aid in determining your professional identity and long-term career

path. Exploring the profession can be done on a large scale, by attending an in-person or virtual legal conference, for example. Or on a smaller scale, such as a one-on-one informational interview. It is your responsibility to find outside events related to your areas of interest, set up informational interviews, or arrange observation of a legal proceeding. OPD is happy to help in your search.

Pro Bono Awareness Tasks: Ohio, along with many other states, encourages pro bono work as part of a lawyer's professional duties to the public and justice system. Therefore, these tasks are not only a resume builder, but they will help kick-start a commitment to your professional duty as lawyers. The Ohio Supreme court states in the Preamble to the Ohio Rules of Professional Conduct: "...[A]ll lawyers should devote professional time and resources and use civic influence to ensure equal access to our system of justice for those who because of economic or social barrier cannot afford or secure legal counsel." It is your responsibility to find pro bono clinics and volunteer to help, or find an attorney to work with or shadow. OPD is happy to help in your search but will not be responsible for placement in these opportunities. OPD may advertise pro bono projects and other opportunities via the newsletter or emails. Students in the 0 – 30 credit reporting cycle are not required to complete a Pro Bono Awareness Task. Students in the 31 – 60, or 61+ reporting cycle may report participation in one of the listed legal clinics. Note: the Public Service and Corporate Counsel Externship Clinics do not count.
